AGENDA REPORTING FORM

TOPIC: Policy Revision to Policy 6140

BACKGROUND:

The revised policy authorizes the Student Achievement Committee to review and act on minor curriculum revisions during committee meetings or forward them to the full Board for approval. The policy clearly distinguishes between major and minor revisions, ensuring clarity in the process. This change provides greater flexibility and opportunities for input as teachers implement the curriculum and identify areas for improvement.

RECOMMENDATIONS/COMMENTS:

The policy revision was reviewed at the September Policy committee meeting, with input from members of the Student Achievement Committee, and was recommended to the full Board for approval.
