**Welcome Back Parent Meeting:**

Babb Elementary had its Meet & Greet/Open House on Friday, August 25, 2023. Parents came to see their child’s new classroom and meet the teacher. Students enjoyed having their parents attend this event. During this time, the parents of students in 3-6 had a chance to review some topics in the Student Handbook. Many parents had some questions. Mr. Salois set up a time during our first PTO meeting to meet with the parents.

We have 14 students in the 3-6 grade class and 9 in the K-2 class. All staff was excited to start the school year. Once again, we will be working with Glacier National Park this year. They will visit our school monthly for engaging science lessons about the park. We will also be attending field trips with them in the park. We are so excited to be teamed up with them again this year
