Prepared by: Bruce Martin, Director of Teaching and Learning

Meeting Date: June 8, 2026

NO ACTION

KEY INDICATORS

The Board will receive an update on district key indicators, including current data and information related to student achievement, enrollment, attendance, staffing, and other operational measures used to monitor district progress and performance.

The data is preliminary and some fields are blank as results have not yet been reported from the state. The data may change slightly as we receive additional results or results are adjusted. The data will include academic results from the 2019 school year to present.
