Sheridan High School Board Report

May 12, 2020

SHS is making the best out of this strange time!

The custodians have been working hard to get more projects done. They have started the renovations on the football stadium. They are replacing the walkway and railings, making it safe and rot free.

The 2020 Prom Court was selected right before school was let out.

They are **Seniors**: Alexa Hermens, Destiny Druery, Alyssa Asuncion, DeEldon Paulk, Reilley Dearth & Tegan Eggers; **Juniors**: Taylor Propst, Paige Ellenwood, Bradley O'Neil & Corey Miller; **Sophomores**: Liliana Ayala, Sequoia Ferroggiaro, Wesley Henley & Vicente Perea; **Freshmen**: Lily Martinez, Raiya Schneider, Kaihdan Trombla & Kris Koeling.

Ms. Bertolo had signs made for the court to place in their yards so they would not be forgotten.

Graduation Update:

On Wednesday May 6th we released a Google Form to collect information from families and students of the Class of 2020, in regards to plans for a graduation ceremony amid COVID-19 regulations. Following the survey we held an open forum Zoom meeting to get more specific feedback regarding our initial plans. From the feedback we received, our goal is to create separate individual ceremonies for graduates and limited family members. They would receive diplomas and walk across the stage. We will then honor the original June 6th date and hold some kind of 'drive in' ceremony and parade of graduates. We are waiting to hear back from Forest River and the city manager of Sheridan before we are able to provide the specific details of those events. Meanwhile Mr. Rech and Ms. Bertolo also went door to door
