

North Valley High School

Knightline Newsletter

October 2017

From your Principal...

Dear North Valley Families:

Welcome to all North Valley Knights:

High school is a time that you will remember for the rest of your life. Do your best to make those memories positive. Many of you will experience life changing moments during these years. You will meet and work with teachers who will challenge you and help you to know your full potential. Most of you will make friends that will last forever. Some of you will experience personal challenges that may at times seem overwhelming. Most of you will have opportunities to try new things and push your abilities to new levels. All of you will be surrounded by staff members who care about you and who have chosen to dedicate their lives and time to helping you succeed and move forward into your future.

This year will be full of all kinds of decisions for all of you. You will have opportunities to make choices hundreds of times a day. Think before you decide. What will the consequences of the choice be for you and for others? Let the **3R's** of being a Knight govern your daily life by making each decision thoughtfully and with **RESPECT, RESPONSIBILITY, and RESILIENCY**.

We ask that all students and staff behave **ABOVE THE LINE** using the **3R's** as your guide. Responsible behavior will lead to good attendance, good grades, good citizenship, and a willingness to take on academic and personal challenges. Respectful behavior will help us create a school atmosphere where all students and staff feel valued and safe. Resilient behavior will help you to overcome the challenges that beset us daily in this life. Strive to make our **3R's (Respectful, Responsible, and Resilient)** a part of who you are and *excellence* will follow.

The administrators, professional staff and support services personnel are committed to helping every student grow and learn the skills and knowledge necessary to be successful in their future. We are committed to you. We will work hard for you and will strive to act with fairness, compassion, consistency, and integrity.

Sincerely,

Erik Lathen
Principal
