Resource: Dr. Brenda Kihl
Executive Vice President

DISCUSSION ITEM: Interlocal Cooperative Agreement for Use of the Rockwall ISD Dr. Gene Burton College and Career Academy

DISCUSSION: Rockwall Independent School District will open the Dr. Gene Burton College and Career Academy in Fall 2018. The Academy will be the career and technical education hub for RISD and is also designed to house up to two higher education partners to offer college courses. Use of the facility will enable Collin College to continue serving the Rockwall region of its designated service area.

The RISD facility will have ample parking and a separate entrance for college students. The space will include 3 classrooms, 1 computer lab, 2 offices, and 1 storage space for a total of 3,975 sq. ft., plus additional space that will be shared with a future 4-year higher education partner. In addition, Collin College will have 6 designated classrooms to offer dual credit courses at the facility during regular school hours.

A draft Interlocal Cooperative Agreement for the use of space at the RISD Dr. Gene Burton College and Career Academy will be presented to the Finance and Audit Committee.
