Emergency Seclusion & Restraint

SERIES ON CREATING SAFE LEARNING ENVIRONMENTS

JOIN US for a 4-day professional learning series focused on building Safe & Supportive Learning Environments. Together, we will explore trauma-informed and neurodiverse-affirming practices, strategies to reduce exclusionary discipline (including the use of emergency seclusion and restraint), and practical, preventative approaches that prioritize compassion over compliance.

Take a Transformational Journey!

Sessions will feature the voices of parents, practitioners, and districts, with guided reflections on seclusion/restraint policy, restorative practices, alternatives to discipline, and the development of high-quality FBAs and PBSPs.
