

This plastic bottle "snake" was collected from our school cafeteria in just one day.

# ZEROWASTE & KITCHEN

## HOW DO I MAKE MY KITCHEN MORE SUSTAINABLE?

**HOW TO:** Eliminate plastic & paper waste

- Use reusable containers for food storage
- Use reusable water bottles
- Use reusable coffee cups
- Use reusable shopping bags
- Use reusable produce bags
- Use reusable cleaning cloths
- Use reusable beeswax wraps
- Use reusable straws
- Use reusable cutlery
- Use reusable containers for leftovers
- Use reusable containers for bulk food
- Use reusable containers for bulk toiletries
- Use reusable containers for bulk cleaning products
- Use reusable containers for bulk laundry detergent
- Use reusable containers for bulk pet food
- Use reusable containers for bulk pet supplies
- Use reusable containers for bulk pet toys
- Use reusable containers for bulk pet treats
- Use reusable containers for bulk pet supplements
- Use reusable containers for bulk pet grooming products
- Use reusable containers for bulk pet training aids
- Use reusable containers for bulk pet health products
- Use reusable containers for bulk pet insurance
- Use reusable containers for bulk pet services
- Use reusable containers for bulk pet products
- Use reusable containers for bulk pet accessories
- Use reusable containers for bulk pet clothing
- Use reusable containers for bulk pet shoes
- Use reusable containers for bulk pet bags
- Use reusable containers for bulk pet carriers
- Use reusable containers for bulk pet crates
- Use reusable containers for bulk pet beds
- Use reusable containers for bulk pet toys
- Use reusable containers for bulk pet treats
- Use reusable containers for bulk pet supplements
- Use reusable containers for bulk pet grooming products
- Use reusable containers for bulk pet training aids
- Use reusable containers for bulk pet health products
- Use reusable containers for bulk pet insurance
- Use reusable containers for bulk pet services
- Use reusable containers for bulk pet products
- Use reusable containers for bulk pet accessories
- Use reusable containers for bulk pet clothing
- Use reusable containers for bulk pet shoes
- Use reusable containers for bulk pet bags
- Use reusable containers for bulk pet carriers
- Use reusable containers for bulk pet crates
- Use reusable containers for bulk pet beds

**HOW TO:** Reduce water usage

- Fix leaks
- Use water-saving showerheads
- Use water-saving faucets
- Use water-saving toilets
- Use water-saving dishwashers
- Use water-saving washing machines
- Use water-saving lawnmowers
- Use water-saving sprinklers
- Use water-saving irrigation systems
- Use water-saving rainwater harvesting systems
- Use water-saving greywater recycling systems
- Use water-saving composting systems
- Use water-saving mulching systems
- Use water-saving drip irrigation systems
- Use water-saving soaker hoses
- Use water-saving timers
- Use water-saving sensors
- Use water-saving smart meters
- Use water-saving smart locks
- Use water-saving smart thermostats
- Use water-saving smart lighting
- Use water-saving smart appliances
- Use water-saving smart tools
- Use water-saving smart toys
- Use water-saving smart treats
- Use water-saving smart supplements
- Use water-saving smart grooming products
- Use water-saving smart training aids
- Use water-saving smart health products
- Use water-saving smart insurance
- Use water-saving smart services
- Use water-saving smart products
- Use water-saving smart accessories
- Use water-saving smart clothing
- Use water-saving smart shoes
- Use water-saving smart bags
- Use water-saving smart carriers
- Use water-saving smart crates
- Use water-saving smart beds

**HOW TO:** Reduce energy usage

- Use energy-efficient light bulbs
- Use energy-efficient appliances
- Use energy-efficient windows
- Use energy-efficient doors
- Use energy-efficient roofs
- Use energy-efficient floors
- Use energy-efficient walls
- Use energy-efficient ceilings
- Use energy-efficient insulation
- Use energy-efficient ventilation
- Use energy-efficient air conditioning
- Use energy-efficient heating
- Use energy-efficient water heating
- Use energy-efficient hot water tanks
- Use energy-efficient water heaters
- Use energy-efficient water filters
- Use energy-efficient water purifiers
- Use energy-efficient water softeners
- Use energy-efficient water treatment systems
- Use energy-efficient water recycling systems
- Use energy-efficient water reuse systems
- Use energy-efficient water conservation systems
- Use energy-efficient water saving systems
- Use energy-efficient water saving devices
- Use energy-efficient water saving fixtures
- Use energy-efficient water saving faucets
- Use energy-efficient water saving showerheads
- Use energy-efficient water saving toilets
- Use energy-efficient water saving dishwashers
- Use energy-efficient water saving washing machines
- Use energy-efficient water saving lawnmowers
- Use energy-efficient water saving sprinklers
- Use energy-efficient water saving irrigation systems
- Use energy-efficient water saving rainwater harvesting systems
- Use energy-efficient water saving greywater recycling systems
- Use energy-efficient water saving composting systems
- Use energy-efficient water saving mulching systems
- Use energy-efficient water saving drip irrigation systems
- Use energy-efficient water saving soaker hoses
- Use energy-efficient water saving timers
- Use energy-efficient water saving sensors
- Use energy-efficient water saving smart meters
- Use energy-efficient water saving smart locks
- Use energy-efficient water saving smart thermostats
- Use energy-efficient water saving smart lighting
- Use energy-efficient water saving smart appliances
- Use energy-efficient water saving smart tools
- Use energy-efficient water saving smart toys
- Use energy-efficient water saving smart treats
- Use energy-efficient water saving smart supplements
- Use energy-efficient water saving smart grooming products
- Use energy-efficient water saving smart training aids
- Use energy-efficient water saving smart health products
- Use energy-efficient water saving smart insurance
- Use energy-efficient water saving smart services
- Use energy-efficient water saving smart products
- Use energy-efficient water saving smart accessories
- Use energy-efficient water saving smart clothing
- Use energy-efficient water saving smart shoes
- Use energy-efficient water saving smart bags
- Use energy-efficient water saving smart carriers
- Use energy-efficient water saving smart crates
- Use energy-efficient water saving smart beds
