Call For Registration 715-825-3515 X3500 Visit Our Website [unity.k12.wi.us](http://unity.k12.wi.us)

### Spread the Word!

Unity Elementary hosts 'Early Learning Days' annually, and the event is coming up soon! This year, starting tomorrow on March 13th and 14th we have planned an evening of friends, food, and fun as the newest class of learners learns about Unity. Registration for next year, orientation, parent information and presentations, tours, and resources for our young students will be offered. We also are providing screenings for 4K, and students that may want to access our Early Childhood Special Education services.

### Battle of the Books!

First Grade Teacher Ashley Simonson created our Feb/March celebration activity, the 'Battle of the Books'! Thank

you Ashley! Students voted each day between their favorite books and we'll see which winner rises to the top! Here's a picture of our trip to the 'Elite Eight'! Students also celebrated I Love to Read week with special dress up days.

### Thank You

This month it felt important to thank our staff which works day in and day out with our Early Learning Team. The amount of hands on care and attention given to our students in Early Childhood Education is very

special and fun, but also very labor intensive. Thank you to Miss Kendra, Hannah, Beka, Raelin, Steph, Lizzy, Tanya and Becky. You all mean the world to us and the kids. Thank you for all you do!

### Don't Forget!

Early Learning Days: March 13/14

2ndGD Musical: Thur Mar 14

3rdGD Theatre Trip: Fri Mar 15

Spring Break: Mar 18 - Mar 22

### Act 20, Title and ESSER

Much planning is occurring to prepare to continue to grow our student achievement in the coming years - impacting this planning are the upcoming Act 20 requirements of teacher training, the pending selection of a state-wide assessment system, and the need to adapt from our current system of supports funded by ESSER I, II, and Title I, to simply Title I. Thank you to Mrs. Chell, Mrs. Jensen, Mr. Fisher, Mrs. Jorgensen, and the whole Unity Model Team.
