Re: Board Report May 2026

Goal: Portrait of a Graduate

- On April 22, 2026, the SEC recognized 5 students as the representatives of the Chelsea High School All Academic Team. These students were celebrated at a luncheon at Weber's with the All-Academic recipient from the SEC schools. Congratulations to Samantha Bieber, Leo Baushke, Mireille Hunter, Noah Stone, Lucia Taylor, Benjamin Van Hoek. The following students join them to make up the top 10 for the graduating class: Ameila Fulton, Dane McCarley, Brenna Taylor, and Karlie VanRemortel.
- Wednesday, May 20th, Our seniors will participate in the second annual senior clap out. This is a special afternoon tradition where seniors travel to their North, South and Beach, where they will walk the halls and be celebrated by former teachers and staff during a clap-out. This meaningful event honors their accomplishments and highlights the strong connections built throughout their educational journey.

Goal: Engagement

- During the month of May, CHS is administering 543 AP exams to students across 15 distinct subject areas. We are proud of the hard work, dedication, and perseverance they have shown throughout the year. AP exams provide students with the opportunity to engage in college-level coursework, demonstrate academic readiness, and potentially earn college credit while still in high school.
- Over 100 music students had the opportunity to travel to Toronto at the end of April. They attended instructional clinics at Wilfrid Laurier University of Toronto, visiting sites including The CN Tower and Niagara Falls. The trip ended with a sold out performance in Ontario world premiering an original work by Chelsea's own Brian Brill. Thank you to the music directors for organizing such a memorable trip for the students.
- As our senior student board liaison graduates this year, we would like to thank Bradley Dunn for his dedication to serving the past two years as our liaison. For the 2026-2027 school year, the CHS administration and current junior board liaison are currently accepting applications for a new liaison. We will complete the process of interviewing and selecting the next student school board liaison by the end of the month.

Goal: Health and Safety

- Tuesday, May 12th, Our Peer to Peer group will sponsor Green Ribbon Day at CHS for **Mental Health Awareness** – Green is widely used to represent mental health awareness, hope, and wellness. Throughout the week, students will distribute ribbons, write positive and encouraging notes to others, and share through the announcements their cause.

As we wrap up another successful school year, we invite board members to join us for our upcoming end-of-year student showcases and celebrations. These events highlight the talents, creativity, and accomplishments of our students across many areas including academics, arts, and extracurricular programs. We look forward to celebrating the hard work of our students with our community.
