TAX RATE RESOLUTION FOR 2025**

STATE OF TEXAS §
COUNTY OF HARRIS §

BE IT HEREBY RESOLVED THAT on this the 23rd day of September 2025, the Board of Trustees of the Pasadena Independent School District, Harris County, Texas, convened in regular session at the regular meeting of said Board, with the following members present:

and with a quorum established, the Board considered and passed the following order:

IT IS HEREBY RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF THE PASADENA INDEPENDENT SCHOOL DISTRICT THAT A TAX OF \$ **1.1722** on each one hundred dollars valuation of taxable property in said district is hereby levied for the year 2025, and said total tax is hereby segregated and allocated as follows:

- a. A tax of \$ **0.3400** on each one hundred dollars of valuation of taxable property in said district is hereby levied for the purpose of paying interest on and principal of the outstanding schoolhouse bonds of said district.
- b. A tax of \$ **0.8322** on each one hundred dollars of valuation of taxable property in said district is hereby levied for the maintenance and operation of the public schools in said district.

The tax rate adopted herein exceeds the District's Voter-Approval Tax Rate due to increased expenditures necessary to respond to a disaster. An election to ratify the adopted tax rate is not required pursuant to Texas Tax Code § 26.042(e), because the tax rate adopted herein is in response to a disaster in the year following the disaster. In adopting this tax rate, the Board of Trustees affirmatively finds that on July 8, 2024, Hurricane Beryl made land fall in Texas as a Category 1 hurricane and caused widespread damage in the District, that a disaster declaration was issued by the Acting Governor of Texas due to the

hurricane, that federal disaster assistance was requested, and that all requirements to adopt this tax rate pursuant to Texas Tax Code § 26.042(e) have been met.

THE FOREGOING RESOLUTION was read, and it was moved by Trustee _____ and seconded by Trustee _____ that it be passed, and upon the question being called, it was passed favorably by a record vote, with at least 60 percent of the members of the Board of Trustees voting in favor of adopting the tax rate, whose votes are reflected below:
