

Food service Report

March 2016

Claim

- The month of March our reimbursement is for \$156,625.85 from the USDA for lunch and breakfast. Last year for the month of March we received \$150,764.08. We had 17 days last year and 16 days this year.
- The number of meals served for breakfast was 36,673 compared to last year's total of 32,990 for a difference of 3,683 more this year. The difference in breakfast numbers is mostly due to Heyburn being a classroom breakfast.
- The number of meals served for lunch was 42,446 compared to 43,978 last year for a difference of (-1,532). The reduction in numbers this year over last year is because of the one less day this year. We average 2,653 lunches per day.

Projects

- We are working on an arrangement with Saint Nicholas School to operate their kitchen for them next year.
- We are still in the process of getting ready to renovate the kitchen at Minico for bigger walk-in cooler and freezer.

We thank you all for your support of our program.
