To Whom It May Concern,

Pana Elks Lodge #1261 would like to officially award Pana Junior High School with the Spotlight Grant of 2022. This grant, in the amount of \$2000, will be used to pay for 1:1 Chromebook fees for students whose parents are unable to make the yearly payment toward ownership. This money will be used solely for this purpose, with any yearly balance carrying over to help with the following year's payments.

Sincerely,

*Jackie Eley
