Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile

seal on the Bonds shall have the same effect as if the official seal of the District had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the District whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bonds delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by her duly authorized agent, which certificate shall be evidence that the Initial Bonds have been duly approved by the Attorney General of the State of Texas and that they are valid and binding obligations of the District, and have been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, the Initial Bonds, being (i) a single Initial Current Interest Bond representing the entire principal amount of the Current Interest Bonds designated in the Pricing Certificate and (ii) a single Initial Capital Appreciation Bond representing the aggregate Maturity Amount of the Capital Appreciation Bonds designated in the Pricing Certificate, each such Initial Bond to be payable in stated installments to the Representative or its designee, to be executed by manual or facsimile signatures of the President or Vice President and Secretary of the Board, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, with the Closing will be delivered to the Representative or its designee. If the Bonds are sold pursuant to a negotiated or competitive sale, upon payment for the Initial Bonds, the Paying Agent/Registrar shall cancel the Initial Bonds and deliver registered definitive Bonds to DTC in accordance with Section 3.10. To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC. In the event of a private placement, the Initial Current Interest Bond and the Initial Capital Appreciation Bond may be delivered to the Purchaser in lieu of definitive bonds.

Section 3.05. Ownership. (a) The District, the Paying Agent/Registrar and any other person may treat the Owner as the absolute owner of such Bond for the purpose of making and receiving payment of the principal or Maturity Amount thereof, as applicable, for the further purpose of making and receiving payment of the interest thereon (subject to the provision herein that for the Current Interest Bonds interest is to be paid to the person in whose name the Current Interest Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bonds remain outstanding, the District shall cause the Paying Agent/Registrar to keep at its Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount (with respect to Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) equal to the unpaid principal amount or Maturity Amount, as applicable, of the Bonds presented for exchange.

(d) The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

Section 3.07. Cancellation. All Bonds paid or redeemed before Stated Maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying

Agent/Registrar shall dispose of such cancelled Bonds in the manner required by the Securities Exchange Act of 1934, as amended.

Section 3.08. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount (with respect to the Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount and bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits

and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.09. Book-Entry Only System. (a) To the extent so designated in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a fully registered Bond for each of the maturities thereof. In the event of a negotiated or competitive sale, upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.10 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) In the event of a negotiated or competitive sale, and with respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Section 8.03. Federal Income Tax Exclusion.

(a) General. The District intends that the interest on the Bonds will be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of Code, and the applicable Treasury Regulations promulgated thereunder (the “Regulations”). The District covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, (i) would cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes or (ii) result in the violation of or failure to satisfy any provision of Section 103 and 141 through 150 of the Code and the applicable Regulations. In particular, the District covenants and agrees to comply with each requirement of this Section 8.03; provided, however, that the District will not be required to comply with any particular requirement of this Section 8.03 if the District has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement set forth in this Section 8.03 will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion will constitute compliance with the corresponding requirement specified in this Section 8.03.

(b) No Private Use or Payment and No Private Loan Financing. The District covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. The District will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the refunded Bonds have not been used and that the proceeds of the Bonds will not be used, in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder.

(c) No Federal Guarantee. The District covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) No Hedge Bonds. The District covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations. Moreover, the District will certify, through an authorized officer, employee or agent, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been not be used in a manner that would cause the Refunded Bonds or the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations promulgated thereunder.

(e) No Arbitrage. The District covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations. The District will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

(f) Arbitrage Rebate. If the District does not qualify for an exception to the requirements of section 148(f) of the Code relating to the required rebate to the United States, the District will take all necessary steps to comply with the requirement that certain amounts earned by the District on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the District will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the District allocable to other bond issues of the District or moneys that do not represent gross proceeds of any bonds of the District, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds that is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the District will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The District covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the District to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

(i) Registration. The Bonds will be issued in registered form.

(j) Continuing Obligation. (b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. (e) The provisions of this Article may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1)

the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (B) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. If the District so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 12.02 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

obligations of the District and paying the costs of issuing the Bonds.<sup>11</sup> This Bond is a Current Interest Bond.

The Bonds and the interest thereon are payable from the proceeds of an ad valorem tax levied, within the limits prescribed by law, against all taxable property in the District sufficient, together with certain available funds of the District on deposit in the interest and sinking fund for the Bonds, if any, to provide for the payment of the principal of and interest on the Bonds, as described and provided in the Order.

The District has reserved the option to redeem the Bonds maturing on and after \_\_\_\_\_<sup>12</sup>, in whole or in part before their respective scheduled maturity dates, on \_\_\_\_\_<sup>13</sup>, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the District shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot or other method that results in random selection the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

[Bonds maturing on \_\_\_\_\_<sup>14</sup> (the “Term Bonds”) are subject to mandatory sinking fund redemption prior to their scheduled maturity, and will be redeemed by the District, in part at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date, on the dates and in the principal amounts shown in the following schedule:

The Paying Agent/Registrar will select by lot or by any other customary method that results in a random selection the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least forty-five (45) days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.]

Not less than thirty (30) days prior to a redemption date for the Bonds, the District shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the Owners of the Bonds to be redeemed at the address of the Owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the District retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the District in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within forty-five (45) calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required

to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that sufficient and proper provision for the levy and collection of taxes has been made, within the limits prescribed by law, which when collected shall be appropriated exclusively to the timely payment of the principal of and interest on the Bonds; and that the total indebtedness of the District, including the Bonds, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the District has caused this Bond to be duly executed under its official seal in accordance with law.
