Immunizations:

You may have received a letter recently from the office notifying you to update your student's immunizations. Immunizations are required by law for students attending public and private schools in Oregon. The exclusion day and deadline to have your student's vaccinations updated and turned into the office is February 19, 2020. If you have not updated your child's immunizations the school is required by law to exclude your child from school until documentation is received. To ensure that your student does not miss school please make sure his/her immunizations are complete and/or a nonmedical exemption is filed. If you need a nonmedical exemption for your student you can find information at www.healthoregon.org/vaccineexemption or get a certificate from your health care provider. Please contact the office at 541-846-7224 for more information regarding vaccinations.

Valentine Day Parties

Teachers will have Valentine Day Parties at the end of the day on Friday, February 14th. Information regarding your student's class party and class list will be sent home with your student. Detach and return the below Valentine Gram to the office for your student to receive a special message on Valentine's Day.
