**Ector County ISD** 068901

STUDENT ACTIVITIES

FM (LOCAL)

## THIRTEEN DAY RULE

The District shall not schedule nor permit students to participate in an extracurricular activity or a public performance that would require, permit, or allow a student to be absent from class in any course more than 13 times during the school year through District competition. A maximum of five absences for post-District competition and four absences for UIL state competition shall be allowed. Additional absences may be allowed at the discretion of the building principal.

## **STUDENT** ACTIVITY /

A student activity program shall be maintained in each school of the District.

**PROGRAM** 

EXTRACURRICULAR All student activities shall be designed to contribute to the moral, physical, aesthetic, and social development of participating students.

> The student activity program of each school shall be evaluated from time to time to determine:

- 1. The degree to which the program is serving the needs of the individual students.
- 2. The degree of contribution to the total school program.

These same determinations should be made as new activities are planned.

The desired goal for each student shall be a balanced program of appropriate academic studies and activities to be determined by the school, the parents, and the student. This should be a shared responsibility.

Staff guidance is necessary to encourage the nonparticipants who need activities and to prevent the over-enthusiastic from over-emphasizing activities at the cost of their academic performance.

A student enrolled in an identified honors or advanced class shall be held to the same performance and reinstatement standards as students enrolled in any academic class which is not an identified honors or advanced class as stated in TEC Sections 33.081 (c) and (d) and FM(LEGAL).

Intramural programs will be developed within the several schools that will provide opportunities for the student to experience wholesome and healthy competitive activity.

The Superintendent or designee shall develop and implement procedures to carry out the intent of this policy.
