Director

TO: Board of Education
FROM: Tony Reimers
DATE: March 10 for the March 16, 2026 Meeting
RE: Monthly Board Report

SUMMER EMPLOYMENT

I am excited to report that we have a large percentage of summer staff members returning in 2026. We plan to interview and make employment recommendations for the remaining positions during the last couple weeks of April.

TIGER TRACKS

We are in the process of creating the Summer 2026 Tiger Tracks publication. The Summer 2026 Tiger Tracks publication is scheduled for an April 13 mailing.

2026-2027 SCHOOL YEAR

We are making plans for the 2026-2027 Morris Area Early Education program. Registration information will be given to families in our program, the week of March 30. Registration for our current families will begin on Tuesday, April 7. PreK class information will be mailed to all stakeholders through the Summer 2026 Tiger Tracks publication. Open registration for PreK will begin on Monday, April 13.

FACILITIES MANAGEMENT

The overlap between winter and spring activities places additional pressure on our gymnasiums and common spaces. In addition to all the Morris Area Schools events, we are hosting AAU Wildcat basketball tryouts and practices, winter workouts for softball, winter workouts for baseball, JO volleyball practices and a tournament for the volleyball association, a Tiger baseball camp, and multiple West Central Soccer Association events including an indoor soccer league. These events fill our gymnasiums on nights and weekends. A special thank you to our custodial staff and site supervisors who work side by side to make these opportunities available for our community members.

Some of our Site Supervisors: Henry Bojaca, Samantha Konz, Tyson Grove, Dalton Koehler, Ryla Koehler, Roena Diver, Rourke Nebel, Addison Cihak, Nora Boyle, Maddie Grove, and Malory Anderson.
