

VIII. SUPERINTENDENT'S REPORT

Action

Tupelo High School Intercom System

**Mr. Andy Cantrell/
Mr. Charles Laney, JBHM Architects, P.A.**

This project has a budget of \$561,900. The lowest/best bid is Prime Logic in the amount of \$550,000 or \$11,900 under budget. This will be a loop system so that if we have an issue, one building goes down and not the entire campus. We will also have our current system underground and this one will be above ground. This will give us a backup is we have a tornado or if flooding occurs.

Recommend motion to award the lowest/best bid from Prime Logic in the amount of \$550,000.00 and authorize Superintendent Loden to execute all documents related to this project.

ACTION BY THE BOARD:

	Motion	Second	Yes	No	Abstain	Absent
