Hi Sherie

Steve LaForge did not show up for the first day of 6th grade boys basketball practice. I have tried repeatedly to contact him with no reply from him.

I spoke with Steve a week before the 6th grade boys basketball season was to start and he said that we would be at practice. I was speaking with him about still being able to get his last week of practice in with the high school cross country team right after school and then going to his 6th grade boys basketball after his cross country practice.

Thanks
Tony W
