AGREEMENT FOR FINANCIAL ADVISORY SERVICES

By and Between

EAGLE PASS INDEPENDENT SCHOOL DISTRICT

(Hereinafter referred to as the "Issuer" or the "District")

And

ESTRADA HINOJOSA & COMPANY, INC.

It is understood that the Issuer will have under consideration from time to time the authorization and issuance of indebtedness in amounts and forms which cannot be determined and that in connection with the authorization, sale, issuance and delivery of such indebtedness of the Issuer, we seek to renew our contract to provide professional services to the Issuer in the capacity of Financial Advisor. This renewal, if accepted by the Issuer, shall become the agreement (the "Agreement") between the Issuer and Estrada Hinojosa & Company, Inc. effective at the date of its acceptance as provided for herein below.

I.

This Agreement shall apply to any and all bonds or tax notes which evidence indebtedness or debt obligations which may be authorized and issued or otherwise created or assumed by the Issuer (hereinafter referred to collectively as the "Debt Instruments") during the term of this contract for which the firm of Estrada Hinojosa & Company provides the services described in paragraph III of this contract. Issuer shall not owe Estrada Hinojosa & Company any fees regarding debt or debt obligations for which Issuer does not use the services of a Financial Advisor.

II.

We agree to provide our professional services and our facilities as Financial Advisor and agree to direct and coordinate all programs of financing as may be considered and authorized during the period in which this Agreement shall be effective and to assume and pay those fees and expenses set out in Appendix A, provided, however, that our obligations to pay expenses shall not include any costs incident to litigation, mandamus action, test case or other similar actions.

III.

We agree to perform the following duties normally performed by financial advisors and all other duties as, in our judgment, may be necessary or advisable:

1. We will conduct a survey of the financial resources of the Issuer to determine the extent of its capacity to authorize issue and service debt. This survey will include an analysis of existing debt structure as compared with the existing and projected sources of revenues which may be pledged to secure payment of debt service and, where appropriate, will include a study of the trend of the assessed valuation, taxing power and present and future taxing requirements of the Issuer. In the event revenues of existing or

projected facilities operated by the Issuer are to be pledged to repayment of the Debt Instruments then under consideration, the survey will take into account any outstanding indebtedness payable from the revenues thereof, additional revenues, as projected by consulting engineers employed by the Issuer, resulting from improvements to be financed by the Debt Instruments under consideration. We will also take into account future financing needs and operations as projected by the Issuer's staff and consulting engineers or other experts, if any, employed by the Issuer.

2. On the basis of the information developed by the survey described above, and other information and experience available to us, we will submit to the Issuer our recommendations on the Debt Instruments under consideration including such elements as the date of issue, interest payment dates, schedule of principal maturities, portions of prior payment, security provisions, and any other additional provisions designed to make the issue attractive to investors. All recommendations will be based upon our professional judgment with the goal of designing Debt Instruments which can be sold under terms most advantageous to the Issuer and at the lowest interest cost consistent with all other considerations.

3. We will advise the Issuer of current bond market conditions, forthcoming bond issues and other general information and economic data which might normally be expected to influence interest rates or bidding conditions so that the date of sale of the Debt Instruments may be set at a time which, in our opinion, will be favorable.

4. We understand the Issuer has retained, or will retain, firms of municipal bond attorneys (the "Bond Counsel") whose fees will be paid by the Issuer. In the event it is necessary to hold an election to authorize the Debt Instruments then under consideration, we will assist in coordinating the assembly and transmittal to Bond Counsel of such data as may be required for the preparation of necessary petitions, orders, resolutions, ordinances, notices, and certificates in connection with the election.

5. We will recommend the method of sale of the Debt Instruments that, in our opinion, is in the best interest of the Issuer and will proceed, as directed by the Issuer, with one of the following methods:

a. Competitive Sale: We will advise the Issuer regarding the sale of the Debt Instrument whereby we coordinate the submission of competitive bids from prospective buyers of the Debt Instruments in accordance with established procedures.

b. Negotiated Sale: We will recommend one or more investment banking firms as managers of an underwriting syndicate for the purposes of negotiating the purchase of Debt Instruments and in no event will we participate either directly or indirectly in the underwriting of the Debt Instruments. We will collaborate with any senior managing underwriter selected and Counsel to the underwriters in the preparation of the Official Statement or Offering Memorandum. We will cooperate with the underwriters in obtaining any Blue Sky Memorandum and Legal Investment Survey, preparing the Bond Purchase Contract, Underwriters' Agreement and any other related documents. The costs thereof, including the printing of the documents, will be paid by the underwriters.

6. When appropriate, we will advise financial publications of the forthcoming sale of the Debt Instruments and provide them with all pertinent information.

7. We will coordinate the preparation of the Notice of Sale and Bidding Instructions, Official Statement, Official Bid Form and such other documents as may be required. We will submit to the Issuer all such documents for examinations, approval and certification. After such examination, approval and

certification, we will provide the Issuer with a supply of all such documents sufficient to its needs and will distribute by mail sets of the same to prospective bidders and to banks, life, fire and casualty insurance companies, investment counselors and other prospective purchasers of the Debt Instruments. We also provide sufficient copies of the Official Statement to the purchaser of the Debt Instruments in accordance with the Notice of Sale and Bidding Instructions. The expenses associated with printing and distribution of these documents will be paid by the Issuer.

8. We will, after consulting the Issuer, arrange for such reports and opinions of recognized independent consultants we deem necessary and required for the successful marketing of the Debt Instruments.

9. Subject to the approval of the Issuer, we will organize and make arrangements for such information meetings as, in our judgment, may be necessary.

10. We will make recommendations to the Issuer as to the advisability of obtaining a credit rating, or ratings, for the Debt Instruments as, in our opinion, is required for submission to the appropriate company, institution or institutions. In those cases where the advisability of personal presentation of information to the rating agency, or agencies, may be indicated, we will arrange for such personal presentations. The expenses associated with the preparation of information and personal presentations will be paid by the Issuer.

11. We will make recommendations to the Issuer as to the advisability of obtaining municipal bond insurance or other credit enhancement, or qualifications for same, for the Debt Instruments and, when directed by the Issuer, we will coordinate the preparation of such information as, in our opinion, is required for submission to the appropriate company, institution or institutions. In those cases where the advisability of personal presentation of information to the appropriate company, institution or institutions may be indicated, we will arrange for such personal presentations. The expenses associated with the preparation of information and personal presentations will be paid by the Issuer.

12. We will assist the staff of the Issuer at any advertised sale of Debt Instruments in coordinated the receipt, tabulation and comparison of bids and we will advise the Issuer as to the best bid. We will provide the Issuer with our recommendations as to acceptance or rejection of such bid.

13. As soon as a bid for the Debt Instruments is accepted by the Issuer, we will proceed to coordinate the efforts of all concerned to the end that the Debt Instruments may be delivered and paid for as expeditiously as possible. We will assist the Issuer in the preparation or verification of final closing figures incident to the delivery of the Debt Instruments.

14. We will maintain liaison with Bond Counsel in the preparation of all legal documents pertaining to the authorization, sale and issuance of the Debt Instruments. Bond Counsel will provide an unqualified legal opinion as to the legality of the issuance of the Debt Instruments at the time of delivery.

15. If requested, we will counsel with the Issuer in the selection of a Paying Agent/Registrar for the Debt Instruments, and will assist in the preparation of agreements pertinent to these services and the fees incident thereto.

16. In the event formal verification by an independent auditor or any calculations incident to the Debt Instruments is required, we will make arrangements for such services.

17. We agree to do, or cause to be done, all work pertaining to the Debt Instruments, obtaining approval, as may be required by the Attorney General, registration by the Comptroller of Public Accounts and delivery to the purchaser. The expenses associated with the printing of the debt instruments will be paid by the Issuer.

18. After the closing of the sale and delivery of the Debt Instruments, we will deliver to the Issuer a schedule of annual debt service requirements on the Debt Instruments. In coordination with Bond Counsel, we will assure that the Paying Agent/Registrar has been provided with a copy of the authorizing ordinance, order or resolution.

In addition to the services set out above, we agree to provide the following services when so requested:
