

**Consider One-Year Extension of RFP #2208-05 for the
Purchase of Hardware Supplies and Building Materials
August 19, 2024**

1. Background: The state's purchasing requirements indicated that purchases in excess or equal to \$50,000 must be competitively procured. The District's hardware supplies and building material purchases usually exceed this threshold and thus is required to request for proposals to meet this purchasing requirement.

2. Process: During the August 29, 2022 Board Meeting, the Board approved awarding RFP #2208-05. The RFP was written with the option to extend for two additional years. The administration would like to extend the award for the third year.

3. Fiscal Impact: The District will meet the state's purchasing requirement for single or aggregate purchases equal to or in excess of \$50,000.

4. Recommendation: Approval to extend the award of the proposals from the following hardware supplies and building material vendors for the 2024-2025 school year.

Elliott Supply, TJ Moore (Ace), Morrison Supply Company, and Uvalco Supply

5. Action Required: Action required

6. Contact Person: Pam Bendele
