15. Term and Termination.

The Terms commence on the date when you accept them (as described in the preamble above) and remain in full force and effect while you use the Services, unless terminated earlier in accordance with the Terms. If you have materially breached any provision of the Terms, or if Newsela is required to do so by law (e.g., where the provision of the Website or the Services is, or becomes, unlawful), Newsela has the right to immediately suspend any Services and licenses provided to you under this Agreement ("Suspension"). Following Suspension, Newsela and your Teacher and/or School, as applicable, will work together in good faith to determine whether to reinstate your access to (and any associated licenses to) the Services or permanently terminate your Services. Notwithstanding the foregoing, Newsela may terminate your Account immediately in its sole discretion in the event that (a) you are a repeat infringer for purposes of Newsela's copyright infringement policy as described in Section 14 or (b) you violate any restriction of these Terms after Newsela makes reasonable efforts to provide you with notice of a previous violation. You agree that Newsela shall not be liable to you or any third party for any Suspension or termination of your Account made in accordance with the Terms. Termination of any Services includes removal of access to such Services and barring of further use of the Service. Termination of all Services also may include deletion of your password and your User Content and, if applicable, Student Data. Upon termination of any Service, your right to use such Services will automatically terminate immediately. Newsela will not have any liability whatsoever to you for any Suspension or termination, including for deletion of your User Content and, if applicable, Student Data. Upon early termination of the Services by Newsela, in the event that you have purchased Premium Features, Newsela will refund to you a pro rata portion of fees for such Premium Services paid to Newsela hereunder to the extent such fees are for Services that have not yet been rendered or made available to you. All provisions of the Terms which by their nature should survive, shall survive termination of Services, including without limitation, ownership provisions, indemnification, warranty disclaimers, and limitation of liability.

16. General Provisions.

16.1. Release. Except to the extent prohibited by applicable law, you hereby release Newsela Parties and their successors from claims, demands, any and all losses, damages, rights, and actions of any kind, including personal injuries, death, and property damage, that is either directly or indirectly related to or arises from any interactions with or conduct of other Users or Third-Party Websites of any kind, arising in connection with or as a result of the Terms or your use of the Services. You hereby waive California Civil Code Section 1542, or any similar law of another jurisdiction, which states in substance, "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which, if known by him must have materially affected his settlement with the debtor."

16.2. Dispute Resolution. PLEASE READ THIS CAREFULLY. IT AFFECTS YOUR RIGHTS.

(a) Arbitration shall be subject to the Federal Arbitration Act and not any state arbitration law. The arbitration shall be conducted before one commercial arbitrator with substantial experience in resolving commercial contract disputes from JAMS. As modified by these Terms, and unless otherwise agreed upon by the parties in writing, the arbitration will be governed by JAMS's rules for commercial arbitration and, if the arbitrator deems them applicable, the procedures for consumer-related disputes.

(b) You are thus GIVING UP YOUR RIGHT TO GO TO COURT to assert or defend your rights EXCEPT for matters that may be taken to small claims court. Your rights will be determined by a NEUTRAL ARBITRATOR and NOT a judge or jury. You are entitled to a FAIR HEARING, BUT the arbitration procedures are SIMPLER AND MORE LIMITED THAN RULES APPLICABLE IN COURT. Arbitrator decisions are as enforceable as any court order and are subject to VERY LIMITED REVIEW BY A COURT.

(c) You and we must abide by the following rules: (1) ANY CLAIMS BROUGHT BY YOU OR US MUST BE BROUGHT IN THE PARTIES' INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING; (2) THE ARBITRATOR MAY NOT CONSOLIDATE

MORE THAN ONE PERSON'S CLAIMS, MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING, AND MAY NOT AWARD CLASS-WIDE RELIEF, (3) in the event that you are able to demonstrate that the costs of arbitration will be prohibitive as compared to costs of litigation, we will pay as much of your filing and hearing fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive as compared to the cost of litigation; (4) we also reserve the right in our sole and exclusive discretion to assume responsibility for all of the costs of the arbitration; (5) the arbitrator shall honor claims of privilege and privacy recognized at law; (6) the arbitrator's award shall be final and may be enforced in any court of competent jurisdiction; (7) the arbitrator may award any individual relief or individual remedies that are permitted by applicable law; and (8) each side pays its own attorneys' fees and expenses unless there is a statutory provision that requires the prevailing party to be paid its fees' and litigation expenses, and then in such instance, the fees and costs awarded shall be determined by the applicable law.

(d) Any and all controversies, disputes, demands, counts, claims or causes of action (including the interpretation and scope of this clause, and the arbitrability of the controversy, dispute, demand, count, claim or cause of action) between you and Newsela and our employees, agents, successors or assigns, regarding or relating to these the Services or these Terms, shall exclusively be settled through binding and confidential arbitration.

(e) Notwithstanding the foregoing, either you or we may bring an individual action in small claims court. Further, claims of infringement or misappropriation of the other party's patent, copyright, trademark or trade secret shall not be subject to this arbitration agreement. Such claims shall be exclusively brought in the state or federal courts located in New York, New York. Additionally, notwithstanding this agreement to arbitrate, either party may seek emergency equitable relief before the state or federal courts located in New York, New York in order to maintain the status quo pending arbitration, and hereby agree to submit to the exclusive personal jurisdiction of the courts located within New York, New York for such purpose. A request for interim measures shall not be deemed a waiver of the right to arbitrate.

(f) With the exception of subparts (1) and (2) in the paragraph 16.2(c) above (prohibiting arbitration on a class or collective basis), if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, or otherwise conflicts with these Terms, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable, illegal or conflicting provision were not contained herein. If, however, either subparts (1) and (2) in the paragraph 16.2(c) (prohibiting arbitration on a class or collective basis) is found to be invalid, unenforceable or illegal, then the entirety of this arbitration provision shall be null and void, and neither you nor we shall be entitled to arbitration. If for any reason a claim proceeds in court rather than in arbitration, the dispute shall be exclusively brought in state or federal court in New York, New York.

(g) Notwithstanding any provision in these Terms to the contrary, if we seek to terminate the Dispute Resolution section as included in these Terms, any such termination shall not be effective until 30 days after the version of these Terms not containing the agreement to arbitrate is posted to the Website, and shall not be effective as to any claim of which you provided Newsela with written notice prior to the date of termination.

(h) For more information on JAMS, its Rules and Procedures, and how to file an arbitration claim, you may call JAMS at 800-352-5267 or visit the JAMS website at <http://www.jamsadr.com>.

(i) Any and all controversies, disputes, demands, counts, claims or causes of action between you and Newsela and our employees, agents, successors, or assigns, regarding or relating to these the Services or these Terms, shall exclusively be governed by the internal laws of the State of New York, without regard to its choice of law rules and without regard to conflicts of laws principles except that the arbitration provision shall be governed by the Federal Arbitration Act.

16.3. Miscellaneous. The Terms, and your rights and obligations hereunder, may not be assigned, subcontracted, delegated or otherwise transferred by you without Newsela's prior written consent, and any attempted assignment, subcontract, delegation or transfer in violation of the foregoing will be null and void. Newsela may assign this Agreement without your consent. Newsela shall not be liable for any delay or failure to perform resulting from causes outside its reasonable control, including, but not limited to, acts of God, war, terrorism, riots, embargos, acts of civil or military authorities, fire, floods, accidents, strikes or shortages of transportation facilities, fuel, energy, labor or materials. Where Newsela requires that you provide an e-mail address, you are responsible for providing Newsela with your most current e-mail address. In the event that the last e-mail address you provided to Newsela is not valid, or for any reason is not capable of delivering to you any notices required permitted by the Terms, Newsela's dispatch of the e-mail containing such notice will nonetheless constitute effective notice. You may give notice to Newsela at

the following address: 475 10th Avenue, 4th Floor New York, NY 10019. Such notice shall be deemed given when received by Newsela by letter delivered by nationally recognized overnight delivery service or first class postage prepaid mail at the above address. Any waiver or failure to enforce any provision of the Terms on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion. If any provision of the Terms is, for any reason, held to be invalid or unenforceable, the other provisions of the Terms will remain enforceable, and the invalid or unenforceable provision will be deemed modified so that it is valid and enforceable to the maximum extent permitted by law. Unless you have entered into a separate School Agreement, the Terms are the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the parties with respect to such subject matter.

We also collect information about how a student interacts with the Services, including the articles that a student reads, the types of articles a student has expressed interest in, quiz-related information, responses a student writes to teacher assignment prompts, how much time a student spends reading the articles, and other performance related information. We also collect writing by students in many forms, including but not limited to their annotations and written responses to writing prompts. We may also collect information about a student provided by a school.

Information about You and Your Student that Your School Gives Us

We collect personal information about you and/or your student that your school, school district and/or their administrators choose to provide to and share with us, directly and through third party service providers.

Information Automatically Collected from You and Your Student

We and our third party service providers may automatically collect information about you and your student's computer or mobile device when you or your student visit our Site or access our App, including by using certain technologies that are further described below (collectively, "Tracking Tools"). Some of the information that may be collected when a user uses the Services, include, for example, computer or device operating system type, IP address, browser type, browser language, mobile device ID, device hardware type, the website or application visited or used before or after accessing our Services, the parts of the Services accessed, length of time spent on a page or using a feature, access times for a webpage or feature, and demographic information, such as gender and age range. These Tracking Tools help Newsela learn more about our users, such as their demographics and internet behaviors, so that we can improve our Services.

By accessing or using the Services, whether as a registered user or otherwise, you acknowledge, understand, and hereby agree that you are giving us your consent to set and access Tracking Tools, including cookies, on your device and in the emails we send you, and to track your activities and your use of the Services through these Tracking Tools in accordance with this Privacy Policy. For clarity, our third party business partners do not have access to Tracking Tools set by Newsela or on our Services except to the extent necessary to provide services to the Services.

The following are Tracking Tools used by Newsela or its third party service providers in connection with the Services:

COOKIES

We may automatically collect information using "cookies." Cookies are small data files stored on your hard drive by a website. Among other things, cookies help us make our Services and your experience better. For example, we use cookies to see which parts and features of our Services are popular, count visits to our Services and improve or tailor the Services and our advertisements to make them more relevant to our users. For more information on cookies, visit <http://www.allaboutcookies.org>.

UNIQUE IDENTIFIERS

We may use unique identifiers to track individual usage behavior on our Services, such as length of time spent on a particular page and pages viewed during a particular log-in period. The unique identifiers collect information about a user's use of the Services on an individual basis. We use the information that we gather through unique identifiers to evaluate and improve the Services and its content, including, but not limited to, improving and evaluating the effectiveness of certain materials on our Services and the student and teacher experience while using the Services.

WEB BEACONS

Web beacons, or clear GIFs or pixel tags, are small graphic image files that can be embedded in web pages or emails to collect information about a user's use of our Services or the correspondences that we send to them. The information collected by web beacons allows us to analyze how and how many people are using the Services or

when users open our emails. Web beacons also allow us to enhance our Behavioral Advertising, which is further discussed below in the section titled ["Interest-based and Behavioral Advertising"](#"INTEREST-BASED OR ONLINE BEHAVIORAL ADVERTISING").

ANALYTICS AND OTHER TECHNOLOGIES

We use other technologies and analytics services (including Google Analytics) to help analyze how users use the Services. These analytics use cookies, digital images called web beacons and other technological methods to collect and store information such as how often users visit the Services, what features they use, what pages they visit, what emails they open, and what other sites or applications they used prior to and after visiting the Services. We use the information we get from analytics services to improve our Site, App and Services. Please see the following links for more information about Google Analytics and to opt-out if you choose to:

<http://www.google.com/policies/privacy/partners/> and <https://tools.google.com/dlpage/gaoptout>.

MOBILE DEVICE IDENTIFIERS

Mobile device identifiers are identifiers stored on your mobile device that may track your mobile device and data and activities occurring on or through it, as well as the applications installed on it. Mobile device identifiers enable collection of personal information (such as media access controls) as well as non-personally identifiable information (such as usage and traffic data). As with other Tracking Tools, mobile device identifiers help Newsela learn more about our users' demographics and internet behaviors and operate and improve the Services.

THIRD PARTY ACCOUNT CONNECTIONS

If you or your student chooses to log on or otherwise associate the Services with another third party account (for example, a Google Account), we may receive information from that third party site to make it easier for you or your student to create an account on the Services and display relevant content. Any information that we collect from these third party accounts may depend on the privacy settings you or your student has with that third party, so please consult their privacy and data practices.

USE OF PERSONAL INFORMATION

We use information collected through our Services, or disclosed by you on our Site or App or in connection with our Services, for the purposes described in this Policy. For example, we may use your and your student's information to:

- understand your student's performance in relation to others, and to provide you and your student with insight into their performance;
- understand your and your student's preferences and to enhance your and your student's experience and enjoyment using our Site, App, and Services;
- operate, maintain, and improve our Site, App, and Services;
- respond to comments and questions and provide customer service;
- send you related information including confirmations, invoices, technical notices, updates, security alerts, and support and administrative messages;
- create advertisements shown to teachers and administrators that reflect the interests and capabilities of their students and communicate with teachers and administrators about promotions and other news about Services offered by us (Note: Newsela never directs targeted advertising at Children. See: "Interest-Based or Online Behavioral Advertising," below.);
- customize advertisements and communicate about promotions and other news about Services offered by us;
- protect, investigate, and deter against fraudulent, unauthorized, or illegal activity;
- link or combine with other personal information we get from third parties such as your associated school, to help understand your needs and provide you with better service; and
- provide and deliver products and services that you request.

We will not use your personal information in any way other than in connection with providing the Services, as described in this Policy, as directed by a teacher or school, or upon obtaining your consent.

SHARING OF PERSONAL INFORMATION

We do not share your or your student's personal information except as follows:

- with your school or school district at their request;
- with third party service providers, consultants, and other service providers who perform services for us and need access to your or your student's information to do that work in a manner consistent with this Policy (for example, our web hosting provider, third party analytics service providers, advertising services providers, and purchase processors. Note: Newsela never directs targeted advertising at Children. See: "Interest-Based or Online Behavioral Advertising," below.);
- to comply with laws or to respond to lawful requests and legal process;
- to protect the rights and property of Newsela, our agents, users, and others including to enforce our agreements, policies, and terms of use;
- in an emergency to protect the personal safety of our users or any person;
- in connection with or during negotiation of any merger, financing, acquisition, bankruptcy, dissolution, transaction or proceeding involving sale, transfer, divestiture, or disclosure of all or a portion of our business or assets to another company, in which case the company receiving the personal information would be obligated to follow this Policy.

Additionally, we may share your or your student's personal information with new teachers who use the Services in their classrooms when you or your student, as applicable, enroll in such teachers' classes, and we may share teacher personal information with other teachers within a school using the Services.

We may create and use anonymized and/or aggregated data for our own purposes by excluding information (such as your or your student's name) that makes the data personally identifiable to you or your student. The purposes for which we may create and use anonymized and/or aggregated data include but are not limited to, conducting analysis and generating statistics regarding the use of our Site, App, and/or Services.

We will not share your or your student's personal information in any way other than in connection with providing the Services, as described in this Policy, as directed by a teacher, parent/legal guardian or school, or upon obtaining your consent.

We require our third party service providers not to use your or your student's personal information other than to provide the services that we have requested.

We will not disclose your or your student's personal information to any third party for that third party's own marketing purposes. Additionally, we will not knowingly use or disclose student information (whether personal information or otherwise) for behavioral targeting of advertisements to such students. We do not sell student personal information. For clarity, we may make recommendations within or through the Services of features, tools, and content on the Services to students based on their demographic information or activities on our Services. For example, we may suggest a text set to a student based on the student having read a similar text set in the past, or based on the student's age or grade level.

INTEREST-BASED OR ONLINE BEHAVIORAL ADVERTISING

We may advertise to teachers and administrators using a type of advertising known as interest-based or online behavioral advertising ("Behavioral Advertising"). Behavioral Advertising is the use of Tracking Tools by us or our Advertising Service Providers (defined below) to display Newsela ads on other websites or services based on information about a user's use of the Services or on the user's interests (as inferred from the user's online activity).

For clarity, Newsela's Behavioral Advertising is intended for teachers and administrators; we do not behaviorally target advertising to student users on sites that are directed to student users.

Newsela adheres to the Digital Advertising Alliance Self-Regulatory Principles for Online Behavioral Advertising ("OBA Principles"). More information about the OBA Principles can be found at

<http://digitaladvertisingalliance.org/blog-terms/daa-principles>.

Advertising Service Providers

We may work with third parties that use Tracking Tools to collect and use information about your access and use of the Services and non-affiliated websites and applications in order to provide Behavioral Advertising and related services to you and us ("Advertising Service Providers"), for example by facilitating targeting of advertisements and measuring and analyzing advertising effectiveness and traffic on the Services, (collectively, all such services, "Targeting Services"). Advertising Service Providers include advertising networks, data exchanges, traffic measurement service providers, marketing analytics service providers, and other third-party service providers. Targeting Services enable us to display advertisements based on your use of the Services and other websites or applications you have visited, including for Newsela content, products or services that may interest you. Targeting Services can also help prevent you from seeing repeated advertisements and enable us to research the usefulness of certain advertisements. Our Advertising Service Providers do not have access to Tracking Tools set by us or on our Services except to the extent necessary to provide services to Newsela.

Opting Out of Behavioral Advertising

You can opt-out of certain Behavioral Advertising activities by doing one or more of the following. Please note that you will need to opt-out of each browser and device for which you desire to apply these opt-out features.

- **Service Provider Opt Out:**

You can opt-out of the use of information for Behavioral Advertising by certain Advertising Service Providers we use by using their opt-out tools. Some of these Advertising Service Providers, and links to their opt-out tools, are:

- **Industry Opt Out Tools:**

Some Advertising Service Providers may participate in the Network Advertising Initiative's (NAI) Opt-Out Tool (<http://www.networkadvertising.org/choices/>) and/or the Digital Advertising Alliance (DAA) Consumer Choice Page (<http://www.aboutads.info/choices/>), and therefore you can opt-out of certain services by those Advertising Service Providers (and other NAI or DAA member companies) by visiting the links included here. Please click on the links to these tools to learn more about your choices.

- **Web Browser Controls:**

You can prevent the use of certain Tracking Tools on a device-by-device basis by using the controls in your web browser. These controls can be found in the Tools > Internet Options menu for your browser, or as otherwise directed by your browser's support feature. Through your web browser, you may be able to:

- Delete existing Tracking Tools

Please note the following with respect to opting out of Behavioral Advertising:

- Some opt-out features are cookie-based, meaning that when you use these opt-out features, an "opt-out" cookie will be placed on your computer, tablet or mobile device indicating that you do not want to receive Behavioral Advertising from certain companies. If you delete your cookies, use a different browser, use a different device or buy a new computer or mobile device, you will need to renew your opt-out choice.
- Opting-out of, deleting, rejecting, disabling or turning off Tracking Tools does not mean that you will no longer receive online ads. Opting-out of Behavioral Advertising only means that such ads will no longer be tailored to your specific viewing habits or interests, but you may continue to see ads on and about the Services.

How We Respond to Do Not Track Signals

We do not currently respond to "do not track" signals or other mechanisms that might enable consumers to opt-out of tracking on our Services.

INFORMATION CHOICES AND CHANGES

Below are some ways you can control the collection and use of your and/or your student's information in connection with the Services. While we and others give you choices described in this Policy, there are many ways web browser signals and other similar mechanisms can indicate your choice to disable tracking, and we may not be aware of or honor every mechanism.

Promotional Emails

You may "opt-out" of receiving our promotional emails by following the instructions in those emails. If you opt-out, we may still send you non-marketing emails. Non-marketing emails include emails about your accounts and our transactions with you.

Information in the Services

You may change some of your or your student's personal information stored in the Services by following the directions on the Site or App. You may send requests about your or your student's personal information, including requests to change your or your student's contact preferences and update or correct your or your student's personal information, to our contact information below. In some cases, changes about a student's personal information may have to be executed by the student's school or teacher, and in such situations, we will attempt to assist you and the school or teacher with such efforts.

Behavioral Advertising and Tracking Tools

You can opt-out of certain mechanisms for tracking, including tracking of your online activities over time and across different websites, by using one or more of the options described above in the "Interest-Based and Behavioral Advertising" section of this Policy.

Disclosure

You may prohibit us from disclosing your or your student's personal information with a third party by contacting us at the information provided below to opt-out of such disclosures in advance; provided that if you prohibit us from sharing your or your student's personal information with your or your student's school or our third party service providers, we may not be able to provide the Services to you or your student. Additionally, you cannot prohibit us from sharing your or your student's personal information when reasonably necessary to defend the rights or property of us, including our Services, or anyone else or as reasonably necessary to comply with relevant laws or respond to a legal request.

Review

You may review your or your student's personal information by logging into your or your student's account or by sending us an email or postal mail at the address below.

Retention

We will retain your or your student's personal information, including after the school term in which you or your student uses the Services, for only as long as is reasonably necessary to fulfill the purpose for which the information was

collected. Generally, Newsela will delete a user's personal information 4 years after the user's last login to the Services.

Deletion

You may request deletion of your or your student's personal information by sending us an email or postal mail at the address below. **IN SUCH CASE, WE WILL NO LONGER ALLOW THE APPLICABLE USER TO USE THE SERVICES.** We will delete your or your student's information using reasonable measures to protect against unauthorized access to, or use of, the information in connection with its deletion. When we delete a user's personal information, it will be deleted from our active databases but we may retain an archived copy of such user's records as required by law or for legitimate business purposes.

Refusing Further Collection or Use

You may at any time refuse to permit our further use or future online collection of your or your student's personal information, by terminating your or your student's account and directing us to delete your or your student's personal information (as described above). **IN EITHER CASE, WE WILL NO LONGER ALLOW THE APPLICABLE USER TO USE THE SERVICES.** We will not have any liability whatsoever for any termination of the account or related deletion of your or your student's personal information. After termination, a terminated user will not be able to use his or her account anymore. Access to schoolwork associated with the account will no longer be available to such user.

Reliance on Teacher or Parental Instructions

We may, and you authorize us to, rely on the instructions that we reasonably believe are given by a teacher, parent or legal guardian in connection with a student. For example, if a person calls our customer support number and provides the account information we request, we may assume that the person calling is the teacher, parent or legal guardian of such student. We will not be held liable for any disclosure made in good faith and following reasonable procedures in responding to a request for disclosure of a student's information from such individual.

Third Parties

Different rules might apply to the collection, use or disclosure of your information by third parties in connection with their advertisements, promotions and other websites you encounter on the Internet. The use of such technology by these third parties, and their policies and practices regarding your information and their sites and services, is within their control and not Newsela's. Those parties may use the information they collect from you consistent with their own privacy policies, which we encourage you to carefully review.

SECURITY OF YOUR PERSONAL INFORMATION

We encrypt the transmission of your and your student's personal information using security measures designed to protect the security, privacy, confidentiality, and integrity of personal information against risks through the use of administrative, technological, and physical safeguards. We also take reasonable steps to release Children's personal information only to third parties who are capable of maintaining the confidentiality, security and integrity of such information, and who provide assurances that they will maintain the information in such a manner. Despite our efforts, however, third parties may still find ways to hack into the Services and intercept data transmissions. Therefore, although we take security very seriously and work very hard on behalf of your and your student's privacy, we cannot guarantee the security of your or your student's information.

STATE-SPECIFIC POLICIES

Connecticut For Connecticut local or regional boards of education purchasing Services directly or indirectly from, or pursuant to a group purchasing contract with, Newsela:

Pursuant to Connecticut Public Act 16-189:

Information Automatically Collected from Your Child

We automatically collect information about your Child's computer or mobile device when your Child visits our Site or uses our App by using the technologies described below (collectively, "Tracking Tools"). Some of the information that may be collected when a user uses the Services, include, for example, computer or device operating system type, IP address, browser type, browser language, mobile device ID, device hardware type, the website or application visited or used before or after accessing our Services, the parts of the Services accessed, length of time spent on a page or using a feature, access times for a webpage or feature, and demographic information, such as gender and age range. These Tracking Tools help Newsela learn more about our users, such as their demographics and internet behaviors, so that we can improve our Services. For clarity, our third party business partners do not have access to Tracking Tools set by Newsela or on our Services except to the extent necessary to provide services to the Services.

We do not behaviorally target advertising to Children on sites that are directed to Children or where Newsela has actual knowledge that a user is under 13. For more information about Newsela's Behavioral Advertising activities, please see the section in our general Privacy Policy titled "Interest-based or Online Behavioral Advertising".

The following are Tracking Tools used by Newsela or its third party service providers in connection with the Services:

COOKIES

We may automatically collect information using "cookies." Cookies are small data files stored on your Child's hard drive by a website. Among other things, cookies help us make our Services and your Child's experience better. We use cookies to see which parts and features of our Services are popular, to count visits to our Services and improve or tailor the Services to make them more relevant to your Child.

UNIQUE IDENTIFIERS

We may use unique identifiers to track individual usage behavior on our Services, such as length of time spent on a particular page and pages viewed during a particular log-in period. The unique identifiers collect information about a Child's use of the Services on an individual basis. We use the information that we gather through unique identifiers to evaluate and improve the Services and its content, including, but not limited to, the effectiveness of certain materials on our Services and a Child's experience while using the Services.

ANALYTICS AND OTHER TECHNOLOGIES

We use other technologies and analytics services (including Google Analytics) to help analyze how users use the Services. These analytics use cookies, digital images called web beacons, and other technological methods to collect and store information such as how often users visit the Services, what features they use, what pages they visit, what emails they open, and what other sites they used prior to and after visiting the Site. We use the information we get from analytics services to improve our Site, App, and our Services. Please see the following links for more information about Google Analytics and to opt-out: <http://www.google.com/policies/privacy/partners/> and <https://tools.google.com/dlpage/gaoptout>.

WEB BEACONS

Web beacons, or clear GIFs or pixel tags, are small graphic image files that can be embedded in web pages to collect information about a Child's use of our Services. The information collected by web beacons allows us to analyze use of the Services, such as how and how many people are using the Services.

MOBILE DEVICE IDENTIFIERS

Mobile device identifiers are identifiers stored on a mobile device that may track a Child's mobile device, and data and activities occurring on and through it, as well as the applications installed on it. Mobile device identifiers enable collection of personal information (such as media access controls) as well as non-personally identifiable information (such as usage and traffic data). As with other Tracking Tools, mobile device identifiers help Newsela learn more about our users' demographics and internet behaviors and operate and improve the Services.
