Maintenance Department Updates

Current Projects:

Paul

1. A Contractor has cut the sidewalk and is scheduled to cut the new entryway into the brick wall on February 28.
2. New HVAC system in 6 classrooms. We have had positive feedback from teachers.

Minico

1. JV Baseball and Varsity Softball scoreboards were installed needing the electrical hooked up when the weather improves.

Heyburn

1. Convergent has installed the new security entry system. Being operated by new Genetec software.
