**Strengths:**

The Glendale & Big Sky School teachers are our strength! We have a collaborative team that continues to support kids and build a strong family-school bond.

**Concerns/Needs:**

With the retirement of Mrs. Christoferson, hiring a teacher for at Big Sky School for the 25-26 school year is a need. Sherina Whitford will be transferring to Glendale School to replace retiring teacher Cindy Show for the 25-26 school year.

Greetings from Glendale,

The third quarter has come to an end and report cards have been completed. The students are showing great progress to reach the end of the year benchmarks. Parent-teacher conferences will take place on April 8th and 10th. We had only one student that had to take the SBAC Science test which was done on the 18th. Mrs. Shea and the GNP rangers had their monthly visit. Mrs. Shea shared pictures of her trip to Ireland and discussed St. Patrick's Day celebrations in Ireland. The rangers did their presentation on bird migration. Wishing you all a Happy Easter.

Your partner in education,

Cindy Show  
Glendale teacher

We had a quarterly attendance rate of 95%. We started the month with some hot chocolate and popcorn. The students really enjoyed their treat. We then celebrated Dr. Seuss birthday by reading some of his books. We all even tried to write our own stories imitating the style of Dr. Seuss. We all read our stories and enjoyed the writings. We also had a great time following the 2025 Iditarod race. The students really like following the racers and their trek in Alaska each year. The older students made brackets for the March Madness basketball games. They cheered on their teams and followed the games so far. We made a spring art project to brighten our room with pastels using a resist technique. The students are glad to be moving from winter into spring and love to display their artwork.

Respectfully submitted,  
Mrs. Gregoire  
Mrs. Christoferson
