**Marihuana Operation and Oversight Grant
Performance Report
Due September 15, 2023**

1. Percent of completion of the project objectives. This should include a brief outline of the work accomplished during the reporting period and the work to be completed during the subsequent reporting period.

100.00% of supplies used with our supplies budget (period two/final 75.40% used). We have purchased lock boxes and are distributing within the District Health Department No. 4 office in Alpena. We also had a "Lock It Up" rolling billboard installed on Alpena Dial-A-Ride buses. Other supplies purchased include paper and labels to insert education materials in lockboxes.

2. A breakdown of the expenses that occurred within the reporting period along with supporting documentation that the expenses to be reimbursed were incurred by the county department.

See attached FSR.

3. Brief description of problems or delays, real or anticipated, which should be brought to the attention of the Grant Administrator.

N/A

4. Statement concerning any significant deviation from previously agreed-upon Statement of Work.

N/A

**Marihuana Operation and Oversight Grants
Final Report
FY 2023**

**Responses to the following must be completed in full and submitted to
MRA-MOOG@michigan.gov by September 15, 2023:**

1. A summary of the project implementation plan and any deviations from the original project as proposed.

- Distribution of the locked boxes was completed as proposed for the four DHD4 offices. Community outreach events, lobby displays and area businesses were used in the distribution.
- Billboards were focused in Alpena & Cheboygan counties because grant monies were more in those areas. (See attached)
- Public transportation bus wraps were utilized in Alpena County. Other counties do not have local public transportation available. (See attached)
- Social media (Facebook and Instagram) was used to promote prevention messages. (See attached) Boosting posts was also done to reach a larger audience in our district.

2. Accomplishments and problems experienced while carrying out the project activities.

The overwhelming positive response from marijuana shops and community agencies has been great.

Barriers has always been trying to get the word out to more people. After many years of participating in this project it is still amazing that many have not heard of the availability of the lock boxes.

3. Coordinated efforts with other organizations to complete the project.

DHD4 continued to supply business sites with locked boxes. Harm Reduction staff visited/phoned each business monthly regarding supplies. Alpena has 3 marijuana shops,

Alpena County Board of Commissioners
720 W. Chisholm Street, Suite #7
Alpena, MI 49707
Telephone: 989-354-9500
Fax: 989-354-9648
Web Address: www.alpenacounty.org
commissionersoffice@alpenacounty.org

Montmorency County has 1 new shop, Presque Isle County has 1 shop and Cheboygan has 2. They have been provided locked boxes with Harm Reduction information in each box. (See attached)

DHD4 offices have locked marijuana boxes available for people who may walk in and ask for one.

Other businesses that have taken boxes to distribute to their client are:

- Catholic Human Services
- Hope Shore Alliance
(domestic Violence agency)
- Freedom Recovery Center
- Thunder Bay Community
Health Services
- Fantasies (Adult book a
novelty shop)
- Northeast Michigan
Community Mental Health
Authority
- Sunrise Centre (residential
treatment center)

Community events include:

- County Project Connect
events
- County Fairs
- Recovery Resource Fair
- Farmers Markets
- Community Health Fairs

4. Impacts, anticipated and unanticipated, experienced as a result of the project implementation.

The overwhelming positive response from marijuana shops has been great. They really appreciate being able to offer the boxes to the customers. Many are asking if they have children or animals at home and if they say yes, then they highly recommend taking a lock box. Many times, these individuals may not use DHD4 services so these are opportunities to reach more people.

Community agencies are also very appreciative to be able to provide them to their clients. Many times, these individuals may not use DHD4 services so these are opportunities to reach more people.

5. Financial expenditures of grant money and other contributions to the project, in-kind and/or direct funding.

We expended all the funding as outlined in the grant application without any concerns.

Alpena County Board of Commissioners
720 W. Chisholm Street, Suite #7
Alpena, MI 49707
Telephone: 989-354-9500
Fax: 989-354-9648
Web Address: www.alpenacounty.org
commissionersoffice@alpenacounty.org

6. Any experience in applying the project products and anticipated "next steps".
We have also encouraged the other clinics we work with – WIC, reproductive health, MHIP - to provide locked boxes if needed. Continue to provide locked boxes at marijuana businesses, community agencies, community events and have available in each office for walk-ins.
7. Actual Budget expenditures compared to the Budget in this Agreement. Include the basis or reason for any discrepancies.

No discrepancies.

**Why lock up your weed?
 3 Reasons to Use a Storage
 Container That Locks**

**#1: Locking Up Your Weed Can Help
 Keep Your Kids Safe**

While medical marijuana can have certain benefits for adults, studies have shown that it may be detrimental to a teen's brain development. If you keep marijuana in the house, make sure it's stored safely in order to help protect your kids from experimentation, or worse.

#2: Help Prevent Accidental Poisoning
 Just like storing your prescriptions safely, locking up your weed helps prevent accidental poisoning.

#3: Protect Yourself From Theft
 Unsecured marijuana can be tempting, and not just to unknown thieves or criminals. Locking up your weed can help protect you from theft and possible break-ins. It's just as important to lock up your marijuana as it is your other medications.

For more information visit:
dhd4.org/marijuana

LOCK IT UP.

Keep
 marijuana
 away from
 kids and
 teens.

Funded by the Department of Licensing and Regulatory Affairs Marijuana Regulatory Agency (LARA) for medical marijuana education only.

The following is material that is used with the lock boxes:

Sticker on outside of box-

District Health
 Department #4
 says...

Ed. Piece inside the box:

**Preventing
 Accidental Exposure**

Lock it up.
 Young children may confuse marijuana products for regular food or candy. Be sure all medical or recreational marijuana products are kept in child-resistant packaging, clearly labeled, and locked up. Children should not be able to see or reach the locked area. How you store marijuana should change as children get older. Safe storage around young children may not stop older children or teens.

Accidental ingestion.
 If a child eats or drinks marijuana, they may need immediate medical help. Some symptoms to look out for include problems walking or sitting up, difficulty breathing, and becoming sleepy. If a child may have ingested marijuana, call the poison control hotline at (800) 222-1222. If symptoms are severe, call 911 or go to an emergency room immediately.

**Preventing
 Youth Use**

Safe storage is not always enough. Talk to youth about marijuana to help them better understand the risks.

Have open conversations.
 Talk with youth about the risks to their developing brain.

Be a good role model for children.
 Set a good example and create a safe environment. Actions speak louder than words. Do not use marijuana, alcohol or other substances around children.

Be honest.
 Explain the health risks and legal consequences. Share how making positive choices can help them reach their goals.

It's best to talk with your children about the risks of using marijuana and other drugs. Visit TalkSober.org.

Know the Law

Buying or Selling
 You must be 21. It is illegal to buy, have, or use marijuana if you are under 21 unless you have a medical card.

Do not sell it. It is illegal to sell marijuana if you do not have a license to sell. Adults over age 21 may give up to 2.5 ounces of marijuana to someone 21 or older but may not sell it, including homegrown product.

Using or Having
 Can I smoke marijuana in my car?
 Consuming any marijuana—from smoking to eating edibles—is still illegal while driving.

Follow grow rules. Michiganders may grow up to 12 marijuana plants per person in an enclosed, locked area. Check with local laws before you begin—rules may vary.

It's illegal to use in public. Marijuana in any form is not allowed in public places, including parks, concert venues, and indoor areas like restaurants and bars.

Check local marijuana laws and policies. Cities, counties, schools, universities and employers may set their own rules and consequences. Check before you use.
