BOARD OF TRUSTEES

Date: October 19, 2010 Presented By: Nancy Jones

Subject: Textbook Committee Related Page(s)

Action

BACKGROUND INFORMATION:

The State Board of Education is adopting instructional materials under proclamation 2011. The new materials will be distributed to local school districts for implementation in school year 2011-2012. To assist with local review of the new adoption, publishers will provide sample copies of their materials to local school districts. A textbook committee is forming to facilitate the process of gaining teacher input into which books are selected. The campus principals have selected representatives to serve on the committee.

RECOMMENDATION:

Approval

BOARD ACTION REQUIRED: Sample Motion

I move the Board approve the textbook committee.
