## Elementary Principal’s Report

---

### Summer School

This year’s Summer School has been a resounding success, and we’re not done yet! The month of June held the biggest programs and events, but we are offering a July session for 3 weeks for Elementary Students, continued Strength and Conditioning Class for the MS/HS students, continued Piano Lessons, and in August some Instrumental Band Camps.

Mrs. Amanda Siefert has done a fabulous job as well in integrating the Eagle Care Club seamlessly to provide a consistent, and first class care experience for families as well.

Some of the highlights of the month included probably our largest amounts of students involved in our cooking courses, the rollout of many brand new experiences including; Backyard Camping, Summer Saunters, Basketball Camp, Girls Fit for Sports, Art Experiences, Sports from around the World, and more! Some returning courses were

a huge hit as well with our Kindergarten through Grade 2 Summer School, Rock On, WaterColors, and Outdoor yard games to name a few.

Of special note: I want to say a personal thank you to Mrs. Errin Schleusner, and Mr. Aric Jensen. Both of these teachers taught some of the largest courses in recent history of summer school without multiple teachers involved. Mrs. Schleusner had ~40 students in her ‘Take Me Out to the Ball Game’ course, and Mr. Jensen had the same in his ‘MS Track and Field Course’. There were so many kids excited to be there, and these instructors did a fantastic job - the kids had fun, they were safe, and they learned a

lot!. I have a feeling these teachers may find the school year slightly ‘easier’ after those numbers!

Finally, Ms. Hansen, Ms. Sorel, Ms. McLoone, and Mrs. Gunn (our guest circus instructor) did an absolutely amazing job with ‘The Greatest Show’ Theatre and Circus camp this year. Their production was so cute and they did fabulous. We are all thrilled with the results and we look forward to getting the video up online if you didn’t get a chance to watch soon!

Thanks for a great summer, and we’re looking forward to July!
