Subject: Review and approve HISD District and Junior High Accountability Targeted Improvement Plans

Presenter: Angela Boyd

Rationale: The state accountability system evaluates performance in student achievement, school progress, and closing the gaps. The junior high school was assigned an overall rating of D in closing the gaps which required us to develop a Targeted Improvement Plan for both the District and HJHS. TEA will be providing us support through a PSP and with a large amount of funding over the next two years. Goals and strategies have been developed by campus and district personnel with assistance from the PSP to be included in the improvement plans for the benefit of the Intermediate, Junior High and High School campuses.

Recommendation: Approve the HISD District Accountability Targeted Improvement Plan and the Hillsboro Junior High Accountability Targeted Improvement Plan for the 2108-2019 school year.
