

A

District Vision, Mission, and Core Values

Engage Minds

Empower Students

Elevate Communities

The mission of the District is to engage minds with rigorous curriculum that maximizes student potential and empowers individuals to become responsible citizens who elevate communities.

The Core Values of the District:

- Student success is the foundation of Mingus Union High School District #4
- A culture of collaboration, accountability and communication achieves our shared mission and vision
- An active and engaged community promotes continuous improvement in student outcomes
