- Information

Purpose/Background:

District Legal Counsel has prepared a resolution declaring thoroughfares with heavy traffic flow as pupil transportation hazards.

Cicero Avenue, Crawford Avenue, I-94, Lincoln Avenue, Pratt Avenue, Touhy Avenue

Fiscal Impact:

The Illinois State Board of Education reimburses districts for pupils transported on routes that are less than 1.5 miles with hazards. Routes to school less than 1.5 miles without hazards are considered non-reimbursable.

Recommendation:

The Finance Committee concurs with the Administration's recommendation to the Board of Education to adopt the Resolution regarding IDOT Hazardous Transportation Routes as presented.
