Topic: Consider Adoption of Community in School Contract for 2014-2015

RECOMMENDATION:

The Administration recommends ratification and payment of the 2014-2015 Communities in School Contract.

RATIONALE:

The services provided by Communities in Schools continue to be a great value for HBISD. The only change is the small percent increase budgeted for salaries. This year's fee will be \$14,008 up from \$13,446.
