## Community Use of School Facilities

### **8:20-E1 Exhibit - Application and Procedures for Use of School Facilities**

#### **Facility Request Procedures**

#### **1. All non-school related groups must supply adequate supervision to ensure proper care and use of school facilities.**

- The non-school related group is responsible to the Board for the use and care of the school facility. All adult supervisors must have cell phones with them at all times.
- Sufficient, competent adult supervision must be provided and the adult supervisor must ensure that no minor is left alone after the activity.
- Only the cafeteria, auditorium, gymnasium, and athletic field, along with needed hallways and parking areas, are available for community use. Entering any room or area not in use by the group is prohibited. The adult supervisor will vacate the facility at the scheduled end time. Use of the school facility is not permitted past the agreed end time.
- No furniture or equipment may be moved without prior approval from the Building Principal.
- Signs, displays, or materials may not be attached, nailed, or otherwise affixed to walls.

#### **2. All non-school related groups must agree to:**

- Indemnify and hold harmless the District and its agents and employees for and from any and all loss including attorneys' fees, damages, expense, and liability arising out of its use of school property.
- Pay any damages to school facilities, furniture, or equipment arising out of its use of school property whether such damage was accidental or deliberate. The cost of damages will be based on the repair or replacement cost, the choice of which is at the School Board's discretion.
- Supply proof of insurance  naming Harlem Consolidated Schools #122 as an additional insured  and verifying that the group maintains adequate insurance coverage against personal injury and/or property loss.

#### **3. All non-school related groups must pay the following fees as applicable to rental agreement:**

Rental charges (unless waived by Board policy), Custodial fees, and Meal and Beverage service (cost determined by the cafeteria supervisor).

#### **4. All non-school related groups must agree to use appropriate emergency procedures including calling 9-1-1 for medical emergencies and whenever an AED is used.**

**5. All non-school related groups must agree to follow the District's *Plan for Responding to a Medical Emergency at a Physical Fitness Facility, 4:170-AP6*. Important: The District will not supervise the activity nor will it supply trained AED users to act as emergency responders at any time, including during staffed business hours.**

#### **Follow the Step-by-Step Emergency Response Plan described below:**

1. Immediately notify the building's emergency responder(s) whose contact information is posted in the facility. Under life and death circumstances call 9-1-1 without delay.
2. Bring the first aid equipment and AED to the emergency scene. The AED should be operated only by trained AED users for the intended purpose of the AED, unless the circumstances do not allow time for a trained AED user to arrive.
3. Immediately inform the Building Principal or designee of the emergency.
4. The emergency responder will take charge of the emergency. This person will apply first aid, CPR, and/or the AED, as appropriate.
5. If necessary, the emergency responder instructs someone to call 9-1-1, providing the location in the building and which entrance to use. This person should make sure someone is sent to open the door for paramedics and guide them to the scene.
6. When paramedics arrive and assume care of the victim, the emergency responder or other staff person notifies the victim's parent/guardian or relative.
7. If an AED was used, the person using it completes the *Automated External Defibrillator Incident Report, 4:170-AP6, E2*. If appropriate, a supervising staff member completes an accident report.
8. If an adult refuses treatment, the emergency responder documents the refusal and, if possible, asks the adult to sign a statement stating that he or she refused treatment.

#### **6. If the request involves a physical fitness facility, the non-school related group must:**

Designate at least one adult supervisor who agrees to be an emergency responder. All emergency responders are encouraged

to be trained in CPR and trained AED users. *Important: State law encourages all non-District coaches, instructors, judges, referees, or other similarly situated non-District anticipated rescuers who use the physical fitness facility in conjunction with the supervision of physical fitness activities, to complete a course of instruction that would qualify them as a trained AED user under Ill. law (410 ILCS 4/10; 77 Ill.Admin.Code §527.100).*
