Winter Activities

The winter season has been very busy for all of our programs, and our teams look to continue their success into the remainder of the season. While the calendar is packed full of many events, that is even more so the case as we approach the end of the regular seasons and the start of the playoffs. Below are some updates on how the activities are going so far and what is coming up soon.

One Act Play: Led by Director Forrest Mussleman, the One Act Play cast and crew are preparing for the Three Rivers Conference competition in Caledonia on January 20. Prior to competing in the Sub-Section Tournament in Rushford on Jan 27th, they are holding special performances for R-P students and the community on January 26th. If the team is successful at Sub-Sections, they would advance to compete at the Section competition on February 3rd in Stewartville.

Winter Dance Team: The R-P Winter Dance Teams have had a very busy season, competing in dance competitions in Hayfield, Zumbrota, Winona, and Lewiston, and they will be traveling to the Three Rivers Conference competition on Saturday, January 20th. They will then compete in the Dover-Eyota (Jan. 27th) and Southland (Feb. 2nd) competitions, and these will be followed by the Section Dance Team Competition which will also be held at Dover-Eyota on February 13th.

Boys Basketball: There are several highlights to the season, including strong performances vs. Mankato Loyola and Klawock at our holiday tournament, followed by a win over Spring Grove on January 8th . The regular season concludes with a contest at Fillmore Central on Feb.23rd, and then the Sub-Section playoffs begin with the play-in games on February 27.

Wrestling: The LARP Screaming Eagles are off to a great start to their season, and they look to continue their success throughout the remainder of the season.
