### ACADEMIC OVERVIEW:

**Stars testing** has completed the third data points in the areas of Math and Reading. We are excited to see students make progress in both subject areas.

**State Assessment testing** is just finishing up the Math portion and will be moving on to English/Language Arts. We are excited that we have had no issues with technology or band width. Thank you to Aaron Henderson for setting up Testing Icon for Chrome Books. All students have been able to log on and take the tests without interruptions.

**Senior project presentations** will begin April 25 and run through April 27<sup>th</sup>. Board members are invited to sit in on a panel to judge student presentations. We had great presentations last year and expect great presentations again this year.

**Leadership class** is attending Doernbecher's Pajama Jam on May 12<sup>th</sup> as a celebration at Bullwinkle's Amusement Park for schools who helped raise money for Doernbecher Children's Hospital. Thank you to all who contributed, and to those who participated in the Lunch Boxes. This year we had 14 community members participate.

**The Accreditation Team** has finished auditing the high school and we have passed.

**AVID** is taking a Field trip to the University of Oregon on May 4, 2017. They are also taking a field trip to Chemeketa Community College for STEM Exploration Day to view mechanics, robotics and computer aided drafting on April 20, 2017.
