

BP 0200 Goals for the School District

Note: [AS 14.07.165](#) (Ch. 173, SLA 1990) requires the State Board of Education to adopt statewide goals and to require that each governing body adopt written goals consistent with local needs. In 2003, the State Board adopted the goals and indicators of the No Child Left Behind Act, [20 U.S.C. 6301-7941](#) that by 2013-14, all students will reach proficiency or better in language arts and mathematics. [AS 14.03.120](#) (Ch. 173, SLA 1990) requires districts to annually file and make available to the public a report that establishes district goals and priorities and includes plans for achieving these goals and the means of measuring district achievement. Districts are required to encourage public participation in the preparation of this report.

The School Board is committed to excellence and self-evaluation and believes that the public schools exist to meet the needs of students, parents/guardians and other community members. It is, therefore, important that citizens may express their expectations of the schools. The Board encourages students, parents, teachers, and other community members to participate in educational planning for the district.

(cf. 0420 - School-Based Management)
