#### 2022 Empowering Blackfeet Youth Culture Conference in coordination with Manpower September 20, 2022

Kim Jiron DeRoche reached out to BHS to work in coordination with staff and students to bring presenters and mini breakout sessions to Blackfeet Youth. Terrance LaFromboise and Supaman-Chris Parrish were on hand to talk about perseverance, determination, cultural identity and pride with our high school students and staff. Miss Blackfeet Mariah Posey and NAID Tiny Tot Princess Many Hides were on hand along with Tribal Councilmen Patrick and Everett Armstrong to kick off our conference. The following activities were available for students: Beading, Story Telling, Medicine Pouches, Indigenous Mindfulness, Horsehoes, Corn Hole, Archery, Traditional Games, Pemmican Making, Horse Presentation, Stick Game, Frybread and Berry Soup Making, Blackfeet Art, Dry Meat Cutting and Tribal Council Speeches. Contests were also held for Tribal Council Speech Video, Blackfeet Art Project, Dry Meat Cutting, Fry Bread and Berry Soup Making. Various Prizes were given.

#### Homecoming Week

Students nominated and voted for their royalty. Decorated the hallways, floats and lockers. All student driven ideas. Homecoming Dance was held in the cafetorium and was a success with decorations, dancers and snacks!

Annual Benchmarking Assessments-Aimsweb for ELA and Math were completed in the month of September with a great completion rate. Data reflection is an on-going process.
