MEMORANDUM

TO: Mid-Valley Special Education Cooperative Executive Advisory Board

FROM: Marianne Fidishin, PhD, Executive Director

DATE: March 7, 2018

RE: 2018-2019 Professional Learning Plan

The 2018-2019 Professional Learning Plan has been developed from the collaborative efforts of the annual Needs Assessment Survey, direct guidance from administrative liaisons, and data collection from the 2017-2018 school year. Learning Priorities for the upcoming school year focus on behavior and social emotional supports, autism and instructional strategies provided cooperative-wide and district-specific. The emphasis for Mid-Valley Special Education Cooperative will be on mental health of both students and staff. Further collaboration and teaming continues to be a priority especially with paraprofessionals as well as professional learning networks.
