

Action Sheet

MEETING DATE: February 22, 2023

AGENDA ITEM: Discuss and consider approval of purchase of a car alignment machine for the high school auto shop program.

Ball High School is needing to replace its car alignment machine. The piece of equipment is required for the Auto Shop CTE curriculum. By maintaining the alignment machine, students will gain the knowledge and skillset for performing the needed mechanical services associated with the car alignment process. The purchase will be made utilizing the HBAC Cooperative Purchasing Contract #HGAC FL03-21.

RECOMMENDATION: I move the board approve the purchase of the alignment machine in the amount of \$65,212.74 from Mohawk Lifts, utilizing General Funds, as presented.
