

CERTIFIED STAFF DEVELOPMENT

BP 4131

The School Board recognizes that a competent well-trained staff is essential to carrying out its goals. ~~In compliance with federal and state law, the Superintendent or designee is to develop a plan to ensure that all teachers of core academic subjects be highly qualified by the end of the 2005-2006 school year.~~ Staff development is a necessary, continuous and systematic effort to improve district educational programs by involving all employees in activities that improve their skills and broaden their perceptions. In order to respond directly to the needs of our students, staff development activities may address teacher qualifications, content areas, methodology, interpersonal relations between students and faculty, student growth and development, and staff communication, problem solving and decision making. The Superintendent is responsible for ensuring that all training required by law is provided in a timely fashion to appropriate staff.(*cf. 5131.6 - Alcohol and Other Drugs)(cf. 5141.5 - Child Abuse Reporting)*The Superintendent or designee should provide the staff with development which may include opportunities such as the following:

1. Released time and leaves of absence for travel and study.
2. Visits to other classrooms and other schools.
3. Conferences involving outside personnel from the district, county, state, region or nation.
4. Membership in committees drawing personnel from various sources.
5. Training classes and workshops offered by the district.
6. Further training in institutions of higher learning, including credit courses conducted in or near the district instead of on the college campus, whenever possible.
7. Access to professional literature on education issues.
