James Richardson - DFW Coaches Clinic	1/25/2013 - 1/25/2013
Mary Jane Garcia - Bus Driver Webinar	1/31/2013 - 1/31/2013

Principal's General Narrative

It is refreshing to see the energy displayed by caring teachers at Brackett ISD. We have taken the approach that the input of the stakeholders such as students, teachers and staff, parents, and community members play a key role in the vision and growth of this school. Our Campus Improvement Plan Committee, Safety Committee, Curriculum Committee and a number of other groups have all been working diligently together to bring organized planning together for improvement in all areas at Brackett ISD. We must constantly stay progressive in order to meet the ever changing needs of our students in these trying times in education.

Our new Red Code policy has been met with open arms by our staff, Campus Improvement Committee, Superintendent and Law Enforcement and I am excited to see how our Board of Directors welcomes this great safety feature to our campus.

Basketball is rolling close to the end of district and both boys and girls are on track to have the opportunity for bi-district play. Baseball, softball and track are beginning and it is pure excitement to see the students involved in so many great activities. UIL academics have been working and practicing hard so I hope by the next board report I can bring you a list of their accomplishments as well as Theater Arts and the successes of our stock show students with their project as well.
