RE: 2024-25 GHS Burgess Field Scoreboard Replacement Project –
Correct Digital Displays – OMNIA Partners Public Sectors (National
IPA and US Communities)

DATE: February 21, 2024

The Facilities Task Force is requesting approval from the Geneva CUSD #304 Board of Education to proceed with Contract # 08-37 from Correct Digital Displays. Correct Digital Displays is part of the Cooperative Purchasing Program through OMNIA Partners Public Sectors (National IPA and US Communities). The total cost for the Geneva High School Burgess Field Scoreboard Replacement Project is \$57,804.00.

The project will include the installation, delivery, and freight charges of the LED football scoreboard with 6-digit clock, electronic team names and electronic captions; arched truss sign with illuminated artwork; 120v powered wireless scoreboard controller and heavy-duty controller case; and outdoor wireless scoreboard receiver.

The attached contract from Correct Digital Displays resulted in a project amount of \$57,804.00. This also includes a factory warranty of five (5) years and an on-site warranty of one (1) year. CS2 Design group also recommends a 10% contingency allowance be added to allow for any unseen circumstances. This would bring the total project amount to \$63,584.40.
