

September 8, 2021

To: Board Members of South Koochiching **Rainy River** District

From: Amber Peterson - Title 1 Personnel

Renaissance/Star Coordinator

Subject: Approval of R.A.D. (Read and Discover) Club at Indus School for 2021-2022 school year.

I am requesting to be the Club Director at Club Level VI - \$1663.

Requirements:

25 sessions

One performance- Held during any of the following:

Parent Teacher Conferences

Grandparent's Day/Science Fair

R.A.D. Club was brought to Indus in 2019 and due to COVID ended.

The combination of AR and STEAM showed promising progress as well as filling the time gap students previously had. The goal is to expand students' academic knowledge of diverse topics. Utilizing this Club structure will accommodate diverse learning styles as well.

My expectations are that R.A.D. Club will meet on Wednesdays (before Christmas break) and Tuesdays when we resume school.

A healthy snack and late bus will be provided by the district.

Schedule for the evening

3:10-3:35 - Snack in Commons/Restroom

3:35-4:05 - Independent Reading and AR Comprehension Quiz online

This may include leveled reader article where the student may earn points as well.

4:05-4:45 - STEAM project

No fee for student participation. I request funds in the amount of \$500 to fulfil STEAM projects as well as incentive prizes for students earning points.

Working with the AR program for many years, I look forward to providing this academic extracurricular to our 3rd through 6th grade students at Indus.

Sincerely,

Ms. Amber Peterson; Title I Personnel
