

VOLUNTEER ASSISTANCE

The wealth of experience available in the community is a resource that should be used in appropriate ways to enrich the educational program and strengthen our schools' relationships with homes, businesses, public agencies and private institutions. By their presence, volunteers also can make school environments safer and more closely supervised. The School Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students.

The Superintendent or designee shall use best practices to establish appropriate controls to protect the safety of both students and volunteers.

Like employees and students, volunteers shall act in accordance with district policies and regulations.
