

Patrick Broncato Draft Board Goals 2026-2027
February 23, 2026

Finance

Finance

Maintain our ISBE Financial Profile Rating Score at Recognition status, and maintain adequate fund balance reserves of about one year of expenses.

Buildings/Construction

Continue implementing Five Year Capital Improvement Plan (Phase III) approved in 2024.

Teaching & Learning

Student Engagement & Feedback

Intentionally increase active student response opportunities and the quality of timely, specific feedback so that every learner regularly engages in thinking, speaking, writing, or doing while clearly understanding where they are in their learning and how to improve.

EL Curriculum Implementation

Implement the newly adopted ELL "Language Power" curriculum to support multilingual learners.

Gifted Program Redesign

Implement the new gifted identification protocols and programmatic changes recommended by the Gifted Audit and approved by the Board.

Communication

Identify and implement an AI assistant for the district website as an interactive resource for current families, prospective families and the community.

Human Resources

Develop our District student records processes for student files based on the recent transition to digital student files.

Set up objectives and long term goals for the newly established District Wellness Committee.
