PARENT-TEACHER CONFERENCES A SUCCESS AT HES: Twice a year, Homedale Elementary School makes every effort to ensure Parent-Teacher Conferences are a success by connecting with as many of our families as possible. Last week, our teachers were able to meet with more than 95% of our parents during conferences!

One of our teachers, Rebekah Johnson (3rd grade), asked each of her parents to write a special message on the desk of their child that they would be able to see and read when they returned to school the following Monday. Her parents loved this idea and left some pretty awesome messages for their kids!

KINDERGARTEN LEARNS SAFETY: Recently, Homedale's Emergency Services Team visited Homedale Elementary School and taught them all about emergency preparedness. We want to thank Dennis Uria and his team for donating their time to visit our school and share an important message with our students.

HES CELEBRATES HALLOWEEN: On Halloween, Homedale Elementary Students participated in our annual Halloween Parade. Our parade was led by our Grand Marshals, for counselor Rande Garret and former secretary Shelley Townsend. Students and staff were invited to wear costumes and the day was filled with plenty of spooky fun!

HES WELCOMED STORYTELLER: Homedale Elementary School students recently had an opportunity to hear from renowned national storyteller Jim Cogan! For 45 minutes, Mr. Cogan shared exciting stories with our students that were connected to historical events. Our students loved the experience!
