Math

Students were assessed on STARMath in September. We utilized our technology to test all one grade in a day and the next day the other grade. This turned out good and it cut down on the testing window time frame.

Second Grade-157

- Benchmark Tier 1: 19 students (12%)
- Strategic Tier 2: 71 students (45%)
- Intensive Tier 3: 67 students (43%)

Third Grade-175

- Benchmark Tier 1: 23 students (13%)
- Strategic Tier 2: 70 students (40%)
- Intensive Tier 3: 82 students (46%)

enVision math

For September all the second and third students were assessed in enVision math on the math placement test. Second grade was assessed with the end of the year 1st grade test and third grade was assessed with the end of the year 2nd grade test. This allows teachers to see what skills students struggle with and how they will need differentiate their lessons to address these skills.

SECOND GRADE	THIRD GRADE
Teacher 1: 60%	Teacher 1: 55%
Teacher 2: 55%	Teacher 2: 58%
Teacher 3: 61%	Teacher 3: 54%
Teacher 4: 57%	Teacher 4: 56%
Teacher 5: 52%	Teacher 5: 53%
Teacher 6: 67%	Teacher 6: 55%
Teacher 7: 56%	Teacher 7: 54%
Teacher 8: 57%	Teacher 8: 50%
Teacher 9: 53%	Average: 54%
Average: 58%	

Reading Block

Reading Blocks have begun September 12. We have 15 classes on grade level for reading. This is a testament to the hard work 1st grade and 2nd grade did last year! We have 8 classes that are not on grade level; 2-SPED (which teach the alternate core), 1-3rd grade, and 5-2nd grade classes. We tested ISIP similar to STARMath, one grade level per day and it worked out ok once we got it all up and running. A total of 333 second and third grade students assessed on ISIP

Second Grade-159

- 36% or 57 students scored as intensive
- 21% or 34 students scored as strategic
- 43% or 68 students scored at benchmark

Third Grade-174

- 40% or 70 students scored as intensive
- 24% or 41 students scored as strategic
- 36% or 63 students scored at benchmark

MBI Universals

BES has been practicing their lining up in the gym after recess, and it has been great! The hallway behavior has been getting better. The MBI team has put up reminders in the hallway as well as stop signs at the end of the hallways. This is helping students to remember how to behave in the hallway.

Literacy & Math & State Support Visits

We have had meetings with Terri Barclay, OPI State Support; Lynda Collins, Literacy Consultant; and Leah Esmont, Title I Math Grant Consultant this past month. We checked current status for our School Leadership Team, Math Grant, and Literacy Plans and made plans for change or action for the next month.

Parent Open House

We had our Open House on September 21 and had a great crowd of about 100! We let parents know our goals, they toured the school, ate hotdogs and chips and created relationships between staff and parents.

2nd grade Field Trip

Our first field trip was the 2nd grade to the Bison Ranch is Babb. They sure had a great time.

As always, Board Members are welcome to visit our wonderful school!
