Valentines Treat to Make with Kids

White Chocolate Strawberry Snack Mix

Ingredients

- One 1.2oz bag freeze-dried strawberries
- 1 cup confectioners' sugar
- 5 cups crisp rice cereal squares
- 4 cups honey nut whole grain cereal
- Three 4oz bars white chocolate, chopped
- 1 cup pink candy-coated chocolates
- $\frac{1}{4}$ cup red and white sprinkles

Directions

- Pulse the freeze-dried strawberries in a food processor until very finely ground and powdered in texture. Alternatively, place in a resealable bag and crush with your hands or a rolling pin until very finely and evenly ground and powdered in texture. Transfer to a small bowl and whisk in the confectioners' sugar until combined. Set aside.
- Pour the crisp rice cereal squares and honey whole-grain oat cereal into a large bowl. Put the chopped white chocolate in a medium microwave safe bowl. Microwave at 50% power in 15-second intervals, stirring occasionally, until just melted and smooth, about 1 minute. Pour the melted chocolate over the cereal mixture, then gently toss with a rubber spatula until evenly coated. Pour the strawberry-sugar mixture over the chocolate-coated cereal, then toss again until every piece is nicely coated and pink. Stir in the candy-coated chocolate and sprinkles. Store in an airtight container for up to 5 days.
