Kindergartners will complete the diagnostic during the winter window. The Kindergarten team is gradually introducing IXL to their students to prepare them for the diagnostic in January.

Veterans Day Presentation by 3rd Grade: Our 3rd graders sang and shared their thanks to our Veterans during their musical performance on November 6th. Students across the building shared their Veteran's stories with images and writing that was on display throughout the hallway outside the RGS gym. Thank you to Mrs. Flores, the 3rd grade students and staff who helped make Veterans DAY one to remember this year!

Bike Safety Presentation: RGS students watched bike tricks and learned the basics about bike and ebike safety. Wearing a helmet, wearing bright clothing, not wearing a sweatshirt around your waist while you ride your bike and appropriate footwear. Students were engaged and the safety group commented on how well behaved they were during the presentation.
