

Lyon County School District Board Memo

Date: October 22, 2024
To: Board of School Trustees
From: Dawn Huckaby, Deputy Superintendent
Re: Silver Springs area schools' highlights and updates

Recommendation:

That the LCSD Board of Trustees approve a report by the Silver Springs area school principals on the work of their respective schools.

Background Information:

The principal of each school will provide a brief, three-minute presentation highlighting their achievements and reviewing their goals for the 2024-2025 school year. As a reminder, all LCSD schools collaboratively go through the Continuous Improvement Process (CIP) to develop their school performance plan (SPP) with goals, objectives and action steps. In the fall, they meet with their school improvement team and revise their plans, based on their previous year's student achievement and survey data. They will continue to meet regularly with their school improvement team to monitor their goals, objectives and action steps throughout the school year.

These updates provide information to our Board regarding their plans which will be uploaded into the Nevada Department of Education's platform. The potential impact to students is that the goals are monitored throughout the year and should result in overall impact to student outcomes. School performance plans are aligned to the District Performance Plan.

Budget Considerations:

None
