

Maintenance / Technology Dept.

May 21, 2018

Classroom Technology

- We have upgraded 30 new teacher's laptops.
- We have installed 20 new cameras in the district replacing mostly dead cameras.
- We have added hardware to improve the Wi-Fi at West Minico.

Security/Video

- We have finished the electronic locks on the District Service Center and installed locks on the glass doors to help stop unwanted traffic to get into the school area.
- We have asked for RFPs to change the electronic locks at all the district buildings so they are centrally managed. We will be asking for approval at the board meeting.
